

AIM Diploma in Skills for Working in Creative and Design Industries (Art & Design, Craft, Music, Performance & Events, Media & Photography & Employability) Level 2

In a nutshell

This course allows you to develop the skills and knowledge to build a career in a range of creative and design industries.

This course is for you if...

- ...You're creative
- ...You want to work in a creative design industry
- ...You want to cover a broad range of areas

What will I be doing?

You'll cover a range of units across the different creative disciplines. These include:

COURSE INFORMATION LEAFLET

Art & Design
Craft
Music, Performance & Events
Media & Photography
Employability

You'll develop techniques and build on skills vital to this industry by taking part in activities such as competitions, presentations, workshops and demonstrations.

In the Level 2 Diploma, you'll study a combination of units alongside employability modules to prepare you for a Level 3 in a vocationally relevant pathway or a career in industry.

Example units may include:

Visual Language
Working with Mixed Media
Life Drawing
3D Printing
Ceramics
Balloon Design
Model Making
Clothing Design
DJ Skills
Recording with a Mixing Desk
Live Sound
Planning & Promoting Events
Film Music
Film Production
Enterprise in Craft

You'll be assessed via assignments and tasks, practical application, product production and a portfolio of work. Upon completion you'll achieve:

AIM Awards Level 2 Diploma in Skills for Working in the Creative Design Industries

[Skills Activities](#)

[Maths and English](#) (if you didn't achieve a Grade C or above at GCSE level)

COURSE INFORMATION LEAFLET

What is expected of me?

To enrol on this course, you'll need a minimum of four GCSEs, Grade D or above, to include either Maths/Maths Numeracy or English/Welsh First Language, or an appropriate Level 1 Diploma qualification in the relevant vocational area to include either GCSE Maths/Maths Numeracy or English/Welsh First Language Grade D or above.

You'll need to be motivated, hardworking and have a passion for working in the creative design industry. There'll be an expectation that you practise techniques within the college art rooms, craft shop, music studios and media suites to help build your realistic work experience. Attendance and punctuality for all sessions is a major requirement of this course.

What comes next?

With commitment and the right skills you may be able to progress onto a Level 3 vocational pathway in music, art and design, media or games design.

Additional information

As part of the entry requirements you'll be expected to attend a taster session.
