

ASDAN Independent Living Skills Level Entry 2

In a nutshell

If you're aged 19 or over and want to improve your life and work skills to become more confident and independent, this part-time course is ideal. You can attend the course by yourself, or with a support worker if appropriate.

This course is for...

...anyone wanting the confidence and independence to apply and be successfully employed in voluntary or paid work.

Course content

The aim of this course is to help you increase your confidence and prepare you with the skills needed to apply for voluntary or paid job opportunities. You'll study the Entry Level 2 EDEXCEL Award in Skills for Independence, which covers a wide range of topics alongside many other essential life and work skills including:

COURSE INFORMATION LEAFLET

Literacy
Numeracy
Applying for jobs
Interview skills
Health and safety
Catering
IT
Money management
Independent travel skills
Creative arts
Personal and social development

On successful completion of the course, you can progress on to Entry Level 2 EDEXCEL Certificate in Skills for Independence or voluntary or paid employment.

Entry Requirements

There are no formal entry requirements.

Additional information

If you're interested in applying for the course we'll be happy to arrange a campus visit and an advice and guidance session for you.
