

City & Guilds Diploma in Bricklaying Level 2

In a nutshell

You'll study a blend of practical and theoretical construction units focusing on bricklaying.

This course is for you if...

- ... You have a keen interest in construction
- ... You have aspirations of becoming a qualified bricklayer
- ... You'd like a mix of practical study and theoretical knowledge

What will I be doing?

You'll study practical and theoretical construction units including:

Principles of building construction, information and communication
Building solid walling, isolated and attached piers

COURSE INFORMATION LEAFLET

Interpreting working drawings to set out masonry structures
Constructing cavity walling forming masonry structures
Producing thin joint masonry and masonry cladding

You'll be assessed through practical projects, written and online tests. Upon successful completion, you'll gain the following qualifications:

Diploma Level 2 Brickwork

Appropriate supporting qualifications to broaden your skill set and meet the needs of industry

[Skills Activities](#)

[Maths and English](#)

What is expected of me?

In order to apply, you'll need a Level 1 Diploma in Bricklaying and either GCSE Maths/Maths Numeracy or English/Welsh First Language Grade D or above.

You need to have a desire to work in the construction industry. Full commitment to attendance is required, as is respect for others, enthusiasm for the subject and self-motivation. You'll be continually assessed and there is an expectation that you'll continue your studies and coursework during your own time.

What comes next?

Level 3 Diploma Bricklaying, an Apprenticeship or employment.

Additional information

You'll need to purchase appropriate Personal Protective Equipment at an approximate cost of £40.00, as well as your own stationery equipment.
