

E-Learning COBIT 5 Foundation Course and Exam

In a nutshell

A Personal Learning Account is a new initiative from the Welsh Government. It is a free and flexible way to learn. The initiative will offer people the chance to access free, part-time courses that offer flexible and convenient learning around their existing lifestyle.

This COBIT 5 Foundation course and exam package is essential for IT professionals looking to gain qualifications in this important area of expertise, and for businesses who wish to provide training and certification for their employees.

This course is for...

...anyone over 19, living in Wales, in employment and earning less than £26,000 a year.

...taking the next step in your career for professionals specialising in assurance, security, risk, privacy and compliance.

...anyone who is involved in governance and IT, and those in information management roles such as managers, quality professionals, auditors, consultants, developers, operations

COURSE INFORMATION LEAFLET
