

E-Learning CompTIA Network+ N10-007 Course with Live Labs incl. Exam

In a nutshell

A Personal Learning Account is a new initiative from the Welsh Government. It is a free and flexible way to learn. The initiative will offer people the chance to access free, part-time courses that offer flexible and convenient learning around their existing lifestyle.

The CompTIA Network+ certification is a vendor-neutral, globally recognised qualification for IT professionals specialising in networking tools and technologies. The Network+ course validates your expertise to design and implement functional networks, how you can configure, manage, and maintain network devices based on advanced networking technologies.

This course is for...

...anyone over 19, living in Wales.

...anyone in employment and earning less than £26,000 a year.

...any IT professional who is looking to specialise in networking and open a new avenue of their

COURSE INFORMATION LEAFLET

career in IT networking or support.

Course content

The Official CompTIA Network+ course covers the following:
