

E-Learning Project Manager Expert Pack

In a nutshell

A Personal Learning Account is a new initiative from the Welsh Government. It is a free and flexible way to learn. The initiative will offer people the chance to access free, part-time courses that offer flexible and convenient learning around their existing lifestyle.

Become a project management expert with this three course training and certification bundle. This pack is specifically designed to give students a comprehensive understanding of project management techniques.

This course is for...

...anyone over 19, living in Wales, in employment and earning less than £26,000 a year.

...anyone who wants to learn a range of project management techniques for maximum flexibility when executing a project.

...professionals looking to move into project management.

COURSE INFORMATION LEAFLET

Course content

The Project Manager Expert Pack is a cost-effective way for individuals to master several project and process-related frameworks and disciplines, giving them a vast store of knowledge from which to work.

This unique bundle will help project managers stand out from the crowd, aided by three industry-recognised qualifications:

The complete Project Management Professional (PMP) course.
The PRINCE2® Foundation & Practitioner Package and Foundation certification exam credit.
The IASSC Accredited Six Sigma Yellow Belt Training course and certification exam credit.

Entry Requirements

There are no formal requirements, but you'll need a keen interest in the subject.

Additional information

This course is for one year.
