

## City & Guilds Diploma in Plumbing Studies Level 3

### In a nutshell

This course covers advanced plumbing knowledge and skills to prepare you for your future career.

### This course is for you if...

- ... You want to enter the plumbing industry
- ... You have already completed the Level 2 course
- ... You want more in-depth knowledge and skills in plumbing

### What will I be doing?

You'll cover many areas within plumbing and domestic heating to equip you with advanced plumbing knowledge and skills.

# COURSE INFORMATION LEAFLET

Units include:

Health and safety in building services engineering  
Understand the fundamental principles and requirements of environmental technology systems  
Plumbing system installation planning  
Complex cold water systems  
Domestic hot water  
Sanitation and drainage systems  
Central heating systems  
Domestic gas principles  
Career awareness in building services engineering

This course will equip you with the skills needed to lead directly into employment and completion of an NVQ. It offers you the chance to develop your skills and knowledge to a high standard recognised by the industry.

The course is delivered by both practical sessions in excellent workshop facilities and theory lessons to underpin the knowledge learnt in the practical sessions.

You'll be assessed by on-demand multiple choice tests and upon completion, you'll gain:

Diploma Level 3 Plumbing Studies  
Appropriate supporting qualifications to broaden your skill set and meet the needs of industry

[Maths and English](#)

## What is expected of me?

To enter the course, you'll need a Level 2 Diploma in Plumbing.

You need to have a desire to work in the construction industry. Full commitment to attendance is required, as is respect for others, enthusiasm for the subject and self-motivation. You'll be continually assessed and there is an expectation that you'll continue your studies and coursework during your own time.
