

## Construction Skills Programme

### In a nutshell

This course provides the opportunity for learners with a range of learning difficulties to further their skills towards an independent life in the community.

### This course is for you if...

- ... You want to improve literacy and numeracy skills
- ... You're keen to learn practical skills
- ... You want a taste of college life.

### What will I be doing?

This course has units that include literacy, numeracy and a range of practical subjects such as cookery, horticulture, health and leisure, to improve life skills for every student.

# COURSE INFORMATION LEAFLET

## **What is expected of me?**

There are no formal entry requirements.

## **What comes next?**

ASDAN Diploma in Life Skills, other education or training courses or supported employment.

## **Additional information**

Students have a weekly tutorial and support is available to meet individual needs while they are at college. You're taught in small groups and support staff work closely with learners to encourage confidence, self-esteem and other skills.
