

### Agored Cymru Access to HE - Nursing, Medical and Health Care Studies Level 3

#### In a nutshell

This course is ideal if you want to progress on to Higher Education (HE) in healthcare.

#### This course is for you if...

- ...you'd like to go to university but left school without the qualifications you need.
- ...you want to prepare for study at university level.
- ...you have a passion for health-related studies and careers.

#### What will I be doing?

This course will prepare you for further health-related study. You will also gain skills such as time management and will explore research methods to help you in your future studies.

# COURSE INFORMATION LEAFLET

Units include:

Sociology  
Physical science  
Biological science  
Health and hygiene studies  
Psychology

There are no formal examinations but you will be continually assessed through assignments, tests, oral presentations, practical tasks and an extended essay. You'll achieve the Agored Cymru Access to HE - Nursing, Medical and Health Care Studies.

## What is expected of me?

No formal academic qualifications are required, however the course demands a high level of dedication. There is an entry assessment which you will need to pass to be accepted on the course. GCSE grade C in English and Maths is desirable.

Full commitment to attendance is required. Respect for others, enthusiasm for the subject and self-motivation are the essential qualities we expect to see in all our learners. You will be continually assessed and there is an expectation that you will continue your studies and coursework. All assignments must be successfully completed in order to achieve the qualification.

## What comes next?

Higher Education in areas such as nursing or other healthcare or medical related degrees.
