

WJEC AS/A2 Psychology Level 3

In a nutshell

Psychology is the scientific study of mind and behaviour. The A/AS Level course has been designed to develop a breadth of knowledge of psychology and critical thinking skills necessary for further study.

This course is for you if...

- ... You have a keen interest in psychology
- ... You want to further your study at university study
- ... You are hardworking and self-motivated

What will I be doing?

The first year of study (AS Level) covers the following areas:

COURSE INFORMATION LEAFLET

Biological, psychodynamic, behaviourist, cognitive, positive psychology and research methods.

The second year (A2 Level) builds on the knowledge and understanding gained in first year. The content includes:

Criminal behaviours, schizophrenia, stress, controversies in psychology and applied research methods.

Upon completion of this course, you'll gain:

AS Level Psychology
A Level Psychology
Skills activities

[English and Maths](#)

What is expected of me?

To enter the course, you'll need a minimum of 5 GCSEs at Grade C or above, including English/Welsh First Language, Maths/Maths Numeracy and Grade B or above in Science

Full commitment to attendance is required, as is respect for others, enthusiasm for the subject and self-motivation. You'll be continually assessed and there's an expectation that you'll continue your studies and coursework during your own time.

What comes next?

A Level Psychology is very useful in a wide range of settings because of the unique range of skills acquired during the course. It has the rigour of a Science A Level and also develops literacy, numeracy, and critical thinking skills.

Additional information

You'll need to make financial contributions to the travel costs of educational visits.
