

EAL Diploma in Welding and Fabrication Level 1

In a nutshell

This is a practical course which offers an excellent introduction to welding and fabrication. You will develop the skills and knowledge required to work in the welding industry.

It is designed to lead directly into the level 2 diploma in Welding and Fabrication, or an apprenticeship.

This course is for you if...

- ... you enjoy a practical workshop environment
- ... you are interested in welding and fabrication
- ... you want to develop a career in welding and fabrication.

What will I be doing?

Apply online at www.coleggwent.ac.uk

studentrecruitment@coleggwent.ac.uk | 01495 333777 (Croesawn alwadau yn Gymraeg)

COURSE INFORMATION LEAFLET

You will cover a range of units including:

TIG welding
MIG/MAG welding
Arc Welding
Cutting, forming and assembling engineering materials
Maths and Science
Working in Engineering

The course is assessed through a range of methods including:

Practical workshop activities

Short written tests

On line multiple choice exams

You will also study Maths, English and Employability skills.

If you do not already have a grade C or above in either Maths or English you will have an opportunity to retake these.

What is expected of me?

To enrol on the course you will need 4 GCSEs grade A* to E including Maths and English (or Welsh as a first language)

Full commitment to attendance is required, as is the ability to work independently and as part of a team. You should also have a strong desire to work in the engineering industry, abide by the college ethos and be willing to participate in improving your level of academic subjects.

What comes next?

This course is designed for progression to a Level 2 Diploma in Fabrication and Welding.
