

Virtual Classroom - IOSH Managing Safely

In a nutshell

A Personal Learning Account is a new initiative from the Welsh Government. It is a free and flexible way to learn. The initiative will offer people the chance to access free, part-time courses that offer flexible and convenient learning around their existing lifestyle.

IOSH is the Institution of Occupational Safety and Health. It is the largest health and safety membership body in the world with members throughout Europe.

Every year, nearly 120,000 people from a range of different industries attend IOSH training courses.

IOSH training is internationally recognised and highly regarded, making it an excellent addition to any employee's list of accreditations.

This highly recognised course helps promote an understanding of health and safety practices, which can be used to further your training as an employee or to refresh your knowledge.

This course is for...
