

Ceramics

In a nutshell

This is a fun and creative taught course which offers you the opportunity to explore, develop, design decorate and make a variety of ceramic pieces.

This course is for...

- ... Someone with a keen interest in ceramics
- ... A complete beginner
- ... Someone with experience and wanting to expand their skills

Course content

Each week you will have the opportunity to widen your experience of ceramic work by trying out a range of techniques such as Hand building, throwing, slip casting, press moulding and glazing techniques. You will develop your skills through demonstrations and instruction.

COURSE INFORMATION LEAFLET

On completion of this course you will have learnt a variety of skills that you can develop and build on. You will also have a collection of pieces that will be photographed in our studio for your portfolio and you can take them home with you.

By the end of the course you should feel more confident and be able to use the techniques learnt during the course to further your interest in ceramics.

Entry Requirements

There are no formal entry requirements.
