

Jewellery Making

In a nutshell

Have you ever picked up a pebble from the beach, found a piece of sea glass, spotted a semi-precious gem stone or crystal and thought... I like that but what to do with it? Don't keep them on a shelf - turn them into your very own unique pieces of wire wrapped jewellery!

Join us in a fun and inspiring 8-week course. You will participate in a series of workshop style sessions, introducing you to the basics of wire wrapping. Once you have the basic knowledge and techniques, you will be encouraged to design and create your own piece of unique jewellery incorporating your found treasures.

This course is for...

...beginners

...anyone who desires to learn something new
