What will I be doing?

This course is ideal for learners wanting to work in the health or social care industry, who want

COURSE INFORMATION LEAFLET

to undertake a regular work placement alongside a comprehensive vocational course.

The qualification covers the fundamental knowledge and understanding of the All Wales Induction Framework (AWIF) for Health and Social Care, and reflects a range of different roles and settings.

The content covers:

- the principles and values of health and social care (adults)
- health and well-being
- professional practice as a health and social care worker
- safeguarding individuals
- health and safety in health and social care. As well as a further four units that cover the Principles and Contexts of Health and Social Care.

You'll learn through group work, classroom-based learning and a work experience, which is a compulsory part of the programme.

You'll be assessed through case scenarios, multiple choice and examinations and you'll achieve:

Level 2 Health and Social Care - Adult Core and Principles and Context.

Appropriate supporting qualifications to broaden your skill set and meet the needs of industry such as;

Food Hygiene

Emergency First Aid
