

## Body Art Design

### In a nutshell

For those with a creative streak, this course is an ideal opportunity to discover how to design and apply body art using a variety of body paints, body gems, glitters, sequins and other adornments.

### This course is for...

...anyone with an interest in creative make-up and body adornment.

### Course content

With the VTCT Level 2 Award in Body Art Design you'll learn about the creative process, including how to develop and present a mood board and use techniques such as colour correction, blending, highlighting, shading, sculpting, concealing and camouflage.

## COURSE INFORMATION LEAFLET

The course also looks at the products and equipment used to create a 2D image on a 3D surface and other topics such as consultation, safe and hygienic working practices and aftercare advice.

After successfully completing this course, you could move on to VTCT Level 3 Award in Media Make Up or Level 3 Award in Cosmetic Camouflage.

### Entry Requirements

No formal qualifications are required but you'll need to have an interest in artistic and creative activities.

### Additional information

You'll be expected to buy a uniform and kit as a condition of your place on the course.
