

City & Guilds / NPTC Chainsaw Maintenance and Related Operations Level 2

In a nutshell

Chainsaws have a variety of uses but can potentially cause serious accidents without proper training or because operators' skills aren't up to date. This qualification is about the maintenance of a chainsaw and cutting timber already at ground level.

This course teaches excellent health and safety practice and demonstrates your competency in using a chainsaw.

This qualification is your 'gateway' to other NPTC approved chainsaw qualifications.

This course is for...

...a career as a landscape gardener, tree surgeon, woodland ranger or any number of outdoor jobs

...refreshing your skills in maintaining and using a chainsaw.

COURSE INFORMATION LEAFLET

Course content

This qualification shows you've been independently assessed by the National Proficiency Test Council with regards to current legislation, the fundamentals of chainsaw operation and the safe use and maintenance of chainsaws.

On completion, you'll be able to move on to the NPTC CS31 Felling Small Trees qualification.

Entry Requirements

No experience is needed, but you must be aged 16 years or older.

This course must be completed before embarking on any other NPTC approved chainsaw qualification.

Additional information

You'll need to bring:

Personal protective/safety clothing – alternatively we can lend you some if necessary

Two passport-sized photographs

A packed lunch and refreshments, or money to buy lunch in college

All costs are under review and subject to change.
