

Preparation for Supported Internship

In a nutshell

If you are interested in developing employability skills, this course is for you. This entry level, person centred programme will develop learners' employability skills, preparing individuals to enter the Internship Programme/work placement. This is a 1 year preparatory course.

This course is for you if...

- ...You are interested in seeking work placement
- ...You wish to develop your employability skills
- ...You wish to enrol on a Work Placement/Internship programme in the future

What will I be doing?

Learners will undertake theoretical and practical activities to develop and enhance employability skills which are person centred. The course will prepare learners to enter the

COURSE INFORMATION LEAFLET

world of work.

Areas covered;

Critical thinking and problem solving
Teamwork and collaboration
Professionalism and work ethic
Oral and written communication skills
Numeracy skills

What is expected of me?

There are no formal entry requirements. A willingness to fully engage in all sessions and activities is essential. Learners must have a desire to develop employability skills and attend work experience.

What comes next?

Progression to the Internship Programme or Preparation for Entry Level Vocational Studies.
