

EC-Council Certified Ethical Hacker (C|EH)

In a nutshell

The Certified Ethical Hacker (CEH) qualification is one of the most recognised Ethical Hacking qualifications in the world. Ethical hacking is one of the most popular branches of cyber security and the need for skilled experts is growing exponentially.

This course is ideal for IT professionals who wish to move into cyber security. Alternatively, if you have no IT experience, then this course is ideal once you have completed certain CompTIA certifications.

This course is available as part of a Personal Learning Account (PLA). PLA is an initiative from the Welsh Government which offers people the chance to access free, part-time courses with flexible and convenient learning that fits around their existing lifestyle (subject to eligibility).

This course is for...

... anyone aged 19 +, living in Wales, in employment. The usual salary limit of £29,534 does not

COURSE INFORMATION LEAFLET

apply to this course.

... taking the next step in your career in the IT sector

... those currently working in or aspiring to work in a cyber security role
