

Preparation for Access to Nursing Course

In a nutshell

This Pre-Access short course has been designed to prepare learners with the skills and knowledge needed to enrol on the Access to Nursing Course.

This course is for...

...those already working in the Care Field

...learners who wish to re-train who are keen to have a future career in Nursing/Midwifery or Paramedic Studies.

Course content

The course will give you an insight to the Access to Nursing qualification and provide the basic knowledge that you will need. The course will also help you to develop skills such as research, referencing, academic writing and presentation skills. These skills will all help in preparing you to undertake a Level 3 programme.

COURSE INFORMATION LEAFLET

Entry Requirements

We give full individual and careful consideration to every application. GCSE English Language A* - C and or equivalent is desirable and evidence must be provided before enrolment. Learners need to be outside of Post Compulsory Education for 2 years prior to studying.

We also expect to see good interpersonal skills, commitment to the area of study and enthusiasm and understanding of your chosen career route.

This course is designed for those already in employment and or individuals who are interested in re-training to progress to University and seeking employment in the Health Sector.

Additional information

Coleg Gwent are determined to promote equality of opportunity. Please note, course can only run if there are sufficient numbers.
