

Life Drawing

In a nutshell

This course is ideal for anyone wishing to develop skills and techniques in drawing life models. Life drawing is the drawing of the human form in any of its various shapes and postures using any of the drawing media. The term can also refer to the act of producing such a drawing. The degree of representation may range from highly detailed, anatomically correct renderings to loose and expressive sketches.

This course is for...

... anyone who wishes to develop skills in this area for skills development or as a new hobby.

Course content

You will be using various forms of drawing media. Using a selection of sketching pencils (2B - 6B) Charcoal sticks or pencils. Putty rubber. Ink and a brush or nib.
