

Floristry

In a nutshell

This 10 week course is aimed at complete beginners wishing to learn some of the basic floristry techniques and designs; either for personal development or as first steps to employment in the floristry industry.

This course is for...

...you if you wish to develop your skills of different floristry techniques.

Course content

You'll understand how to care for, condition and use a diverse range of flowers and foliage. You will create a wide range of beautiful floral designs including hand-tied bouquets, table centrepieces, basic wedding and an introduction to sympathy flowers.

There is an informal assessment and verbal feedback from your tutor in the classroom.
