

BTEC Award in Art Techniques for Self Development Level 1

In a nutshell

This course is designed to help people explore a wide range of creative techniques such as drawing, painting, printmaking and 3D creation.

This course is for...

Anyone looking for a creative, expressive and engaging course to develop a variety of personal skills.

Course content

Through a range of creative projects, you'll be encouraged to consider your personal skills and develop your artistic expression. No prior knowledge or experience is required; just an interest in becoming more creative and using creativity to explore themes and ideas.

And as a bonus, spending time being creative is increasingly linked to our wellbeing!

COURSE INFORMATION LEAFLET

You're expected to attend regularly, have commitment to completing the whole course and participate in the various projects throughout the course. You'll take part in discussions about work produced by your fellow students and review and reflect on your own projects. You'll be expected to provide some materials to support your projects.

On completion of the course, you'll achieve a Level 1 Award in Vocational Studies.

Entry Requirements

There are no formal entry requirements to this course of study.
