

## Digital Drawing using Procreate

### In a nutshell

Fancy trying digital drawing on a tablet?

This course covers the basics of producing digital art using the Procreate application. It has been designed for complete beginners, so you can gain a better understanding of the basics of digital drawing and illustration using a tablet.

### This course is for...

... Anyone who wants to get creative with digital drawing and illustration.

... Those who want to improve their creative skills in digital drawing and illustration.

... People who want to learn new skills and techniques that allow them to produce digital works for pleasure, gifts, personalised pieces, artwork for your home or just to learn a new skill.

... Individuals who want to make use of their drawing tablets at home or are thinking of purchasing one and would like to try before you buy.

# COURSE INFORMATION LEAFLET

... Those who have only ever experienced traditional art techniques and would like to transfer their techniques to a digital process.

## Course content

During this part time course, you'll cover many aspects of digital art, such as:

- Navigation of the application
- Using different tools and brushes
- Saving and sharing your creations
- Experimenting and personalising your work

You will have the opportunity to guide your own sessions with your own ideas and creative choices, allowing you to produce something personal to you or your desired idea.

## Entry Requirements

There are no formal entry requirements for this course.

You will need to attend regularly and have an enthusiasm for art. You can also incorporate traditional art techniques to further enhance your digital outcomes.

## Additional information

The School of Creative Arts is offering a suite of courses throughout the year.

The range of courses currently on offer includes:

- Textiles
- Ceramics
- Print Making
- Photography
- 3D Printing
