

Lean Six Sigma Yellow Belt (ISO18404)

In a nutshell

The Lean Six Sigma Yellow Belt (ISO18404) qualification has been created for individuals and businesses looking to implement the Lean Six Sigma methodology within their projects and work responsibilities.

This course is available as part of a Personal Learning Account (PLA). PLA is an initiative from the Welsh Government which offers people the chance to access free, part-time courses with flexible and convenient learning that fits around their existing lifestyle (subject to eligibility).

This course is for...

... anyone over 19, living in Wales, in employment and earning less than £30,596 a year

... those who want to learn the skills and techniques needed to be able to confidently work in a team that focusses on improving quality, efficiency and processes within an organisation
