

BTEC National Foundation Diploma in Music Level 3

In a nutshell

This 2-year course is ideal for students with a passion for Music and who are interested in a career in the Music and Performing Arts Industry.

This course is for you if...

- ... You have a passion for music
- ... You are interested in a music career or a performing arts role
- ... You are enthusiastic about getting creative!

What will I be doing?

Areas of study include:

COURSE INFORMATION LEAFLET

Music performance techniques

Weekly Workshop session

The Music Industry

Music Theory

Sequencing

A history of popular music

Studio Recording Techniques

You will be continually assessed throughout the year, mostly through practical assignments and you will rehearse, plan, and perform in 3 major music events throughout the year. Your skills as a musician and as a team member will be developed and challenged.

You will have access to a theatre with excellent sound and lighting facilities which will be used during your workshop sessions and music nights. You will use our Mac suites running Logic X for sequencing and our newly refurbished recording studios for making that all important demo recording.

What is expected of me?

Full commitment to attendance is required. Respect for others, enthusiasm for the subject and self-motivation along with creative ability and a desire to succeed are the essential qualities we expect to see in all our learners.

You must be able to play an instrument and vocalists would benefit from being able to play, or start to learn to play, an instrument.

What qualifications you will achieve
