

### Agored Cymru Return to Learn (Skills for Further Study) Level 2

#### In a nutshell

This course is designed to help you develop the skills and knowledge you need to progress onto our Access to HE, or any other level 3 courses.

It is designed for learners who may have been out of full-time education for at least 2 years, helping you to refresh and learn the essential study skills you need for success.

#### This course is for you if...

.....You're seeking employment and would like to develop a more varied skillset

.....You've been out of education for at least 2 years and you want to progress to higher level courses

.....You're determined to do well and want to improve your skills.

#### What will I be doing?

## COURSE INFORMATION LEAFLET

The course aims to improve both your numeracy and literacy skills by offering Level 1 Maths and Level 2 English. You'll also have an introduction to Biology, General Science, Sociology, Psychology and Humanities, and you'll learn valuable research skills, which will be essential on other Level 3 courses.

You'll be assessed through a variety of assignments, including written coursework and you'll achieve:

Level 2 Skills or Further Study

Appropriate supporting qualifications to broaden your skill set

### [Skills Activities](#)

### **What is expected of me?**

A determination to do well, passion for learning, and a keen interest to improve your numeracy and literacy skills are a must for this course. Full commitment to attendance is required, as well as respect for others, enthusiasm for the subject and self-motivation.

You'll be continually assessed and there is an expectation that you'll continue your studies and coursework during your own time.

### **What comes next?**

After successful completion of this course, you'll be able to go on to employment or an [Access to Higher Education](#) course.
