

City & Guilds Diploma in Accident Repair (Paint Principles) Level 2

In a nutshell

This course will enhance your technical and academic knowledge of vehicle technology.

This course is for you if...

- ...You have completed the Level 1 or Entry Level 3 paint principles
- ...You have experience in the vehicle refinishing industry
- ...You want to expand your skills and knowledge

What will I be doing?

The course follows on from the first-year full time body and refinishing course and looks at refinishing in more detail. You'll cover the application of 2K paints, water based and different foundation materials and also look at various application techniques, such as spot repairs, fade

outs and blow-ins.

You'll cover units in:

- Knowledge of health and safety
- Knowledge of support for job roles
- Knowledge of tools and equipment used in vehicle refinishing
- Knowledge of applying fillers and foundation
- Knowledge of working with plastics
- Knowledge of preparing metal and pre painted surfaces
- Knowledge of repairing minor paint surface defects

The course is delivered through a blend of the following:

- Practical demonstrations
- Realistic working tasks
- Lectures to develop foundation knowledge
- Assignment work

You'll be assessed via practical and online assessments, oral and written questions. Upon completion, you'll achieve:

- Level 2 Accident Repair – Paint Principles
- Appropriate supporting qualifications to broaden your skill set and meet the needs of industry
