

Flower Arranging (Advanced)

In a nutshell

Progression from the beginners Flower Arranging Course. During the 10 week course you will be able to develop techniques and the use of textures within design. Leaf manipulation will be taught for use in modern/advanced flower arranging designs.

This course is for...

...more experienced learners with basic skills to use more advanced techniques.

Course content

You'll develop advanced skills to design more technical flower arrangements using leaf manipulation and wires.

There is an informal assessment and verbal feedback from your tutor in the classroom.

COURSE INFORMATION LEAFLET

Entry Requirements

There are no formal entry requirements but it is expected that you will have some floral arranging experience.

Additional information

During the lesson you will be provided with materials to complete the session, but will be asked to bring foliage. These are covered in the material cost. A few more items may need to be purchased during the course and you may wish to purchase specific items to achieve a more personal look.
