

Crochet For Intermediate

In a nutshell

Crochet for intermediate is designed to challenge those who have some basic crochet skills and are looking to improve and develop them to the next level.

You'll look at more technical stitches such as Popcorn, Butterfly and Shell stitches, you will also look at corner to corner and more complex patterns.

This course will enable you to learn new complex patterns, intricate stitches and techniques.

This course is for...

...anyone with an interest in developing their crochet skills to an intermediate level.
