

Introduction to Barbering

In a nutshell

This course takes complete beginners through the basic skills of barbering including scissor and clipper techniques; and covers hair cutting, beard shaping and facial grooming.

This course is for...

- ... complete beginners wanting an introduction to barbering
- ... hairdressers looking to develop their skills and techniques in barbering

Course content

This course will help you understand men's grooming fashions and introduce you to a range of techniques and services offered by the modern barber.

What you'll learn:

COURSE INFORMATION LEAFLET

Basic comb, scissors and clipper skills
Client care and consultation
Equipment care and safety
Cut, trim and style hair, beards and moustaches

Entry Requirements

There are no formal requirements, just an interest in learning barbering skills

Additional information

You'll be advised about the purchase of equipment and blocks to practice your skills, during the first week of the course.

After successful completion of the course, if you would like to continue developing your skillset you can progress onto the Level 2 NVQ Barbering course.
