

Introduction to Special Effects

In a nutshell

This course is for you if you want to learn Special Effects. Delve in to open cuts, bruises and wounds and be fascinated by learning some of the industry secrets.

This course is for...

Those of you who have a keen interest in make up and developing or perfecting techniques.

Course content

You will observe demonstrations for each special effect and with the techniques you have practised will then create a final special effects final look.

You will be expected to research and design special effects and be able to prepare, apply and remove special effects makeup. You will be expected to have a camera also to take photographs of your evidence.

COURSE INFORMATION LEAFLET

Entry Requirements
