

Introduction to Reflexology

In a nutshell

This one-day course will introduce you the theory that underpins reflexology and it will provide you with some basic techniques on the feet.

This course is for...

...Beauty Therapists and practitioners that are thinking about developing their skill set for a growing industry

...Massage therapists who are thinking about joining a Complementary Therapies course here at Coleg Gwent in September

...Nurses and Healthcare Practitioners who are interested in expanding their knowledge base and comprehension about reflexology

...Potential students who are interested in studying a part-time course in Reflexology here at Coleg Gwent

COURSE INFORMATION LEAFLET

Course content

Inspect, cleanse and 'read' the feet
Provide a basic foot pre-heat relaxing treatment to the feet
Experiment with reflexology techniques
Discuss Client Consultation Procedures, Consent and Treatment Planning
Identify foot maps and relate these concepts to a human foot

Entry Requirements

There are no formal entry requirements for this course but a keen interest in the subject is essential. You will be working on human feet and you will be required to work on others in class.
