

AIM Certificate in Counselling Skills Level 3

In a nutshell

As a more advanced course, this provides professional status in counselling – and is particularly useful if your work role requires counselling skills.

This course is for...

...anyone whose work might involve counselling, such as nursing, teaching, social work, the police or armed forces.

Course content

This course will give you a comprehensive ability in both counselling skills and theory, with the ability to apply this in practice. It'll also enable you to identify and pursue further career development in your own professional field or personally.

You'll be assessed through practical work, assessed use of skills, written journals and assignments and a 2-hour written examination, and on successful completion of the course

COURSE INFORMATION LEAFLET

you'll be able to move on to Level 4 Diploma in Therapeutic Counselling.

Entry Requirements

You'll need to have completed a Level 2 Certificate in Counselling or equivalent.

Suitability for study will be considered by interview process.

Additional information

You'll also be invited to interview prior to acceptance on the course.
