

Introduction to Eyebrow Services

In a nutshell

This course is designed for learners who wish to learn the skills and techniques involved in shaping eyebrows and providing this popular service to clients. Learners will gain the understanding of assessing eyebrow shape and proportions in relation to facial features, how to prepare and provide eyebrow shaping services.

This course is for...

...Beginners with no prior knowledge of eyebrow services.

Course content

The course will cover eyebrow tidy, shaping and reshaping, tools and equipment, client consultation, hygiene and health and safety, and aftercare.

The course is assessed via portfolio of evidence, which includes written work and client records, as well as practical assessment of work with clients. Securing clients to work with, and personal

COURSE INFORMATION LEAFLET

presentation when working with clients, is part of the assessment criteria for this course.
