

Photography

In a nutshell

This is a fun and creative course which offers you the opportunity to explore and develop your knowledge of digital photography.

This course is for...

Beginners or experienced creatives with a keen interest in photography.

Course content

This course is delivered via an evening class. Each week, you'll have the opportunity to widen your experience of digital photography. We'll explore different photographic techniques, use our professional photographic studio and learn how to process your images using Adobe CC applications (Photoshop, Bridge and Lightroom).

By the end of the course, you should feel confident and be able to use the techniques learnt during the course to further your interest in photography.

COURSE INFORMATION LEAFLET

To get the most out of the course, a digital SLR camera will be required.
