

Vehicle Maintenance for Women

In a nutshell

If you're keen to develop skills to maintain your own car or other vehicles this course is a great starting point. You'll learn the basic principles of motor vehicles in a relaxed and friendly workshop environment.

This course is for...

- ... anyone keen to work on cars and/or other vehicles.
- ... anyone who wants to learn how to maintain their own car.
- ... anyone who wants to restore cars as a hobby or develop skills for a new career.

Course content

You'll need to be enthusiastic and have a keen interest in motor vehicles. You'll have the opportunity to learn about all the systems that make up classic and modern motor vehicles

COURSE INFORMATION LEAFLET
