

WJEC/City & Guilds Health and Social Care Level 2

In a nutshell

The Welsh Government's ambition is to develop a skilled health and social care workforce, which is highly regarded as a profession and a career of choice, and recognised for the vital role the Health and Social Care sector plays in supporting individuals throughout their life.

This course is for you if...

- ...you want to work in health or social care
- ...you want a regular work placement
- ...you want a blend of practical and theory learning

What will I be doing?

This course is ideal for learners wanting to work in the health or social care industry, who want to undertake a regular work placement alongside a comprehensive vocational course.

COURSE INFORMATION LEAFLET

The qualification covers the fundamental knowledge and understanding of the All Wales Induction Framework (AWIF) for Health and Social Care, and reflects a range of different roles and settings.

The content covers:

the principles and values of health and social care (adults)
health and well-being
professional practice as a health and social care worker
safeguarding individuals
health and safety in health and social care. As well as a further four units that cover the Principles and Contexts of Health and Social Care.

You will learn through group work, classroom-based learning and a work experience, which is a compulsory part of the programme.

You will be assessed through a multiple choice exam linked to the core qualification. You will also be assessed on work placement performance and successful completion of an end of year exam linked to Principles & Context.

Completion of the programme will give you:-

Level 2 Health and Social Care - (Adult Core)
Level 2 Principles and Context.

Appropriate supporting qualifications to broaden your skill set and meet the needs of industry such as;

Food Hygiene

Emergency First Aid

Maths and English

What is expected of me?

Full commitment to attendance is required, as is respect for others, enthusiasm for the subject, self-motivation and a passion for the health and social care industry. You'll be continually assessed and there is an expectation that you will continue your studies whilst undertaking work placement.
