1. INTRODUCTION

- 1.1 The Board is established to conduct the business of the Coleg Gwent Further Education Corporation and any institution for the time being conducted by the Board in exercise of their powers under the Further and Higher Education Act 1992 and subsequent legislation.
- 1.2 These Standing Orders set out the rules and procedures by which the Corporation is to be governed as allowed for under article 17(1) of the Articles of Government. The approval and adoption of these Standing Orders supersedes all previous Standing Orders.
- 1.3 Nothing in these Standing Orders is intended to override provisions of the statutory Instrument & Articles of Government in Wales, the Financial Memorandum of Understanding between Welsh Government and Further Education Colleges or the Welsh Government Further Education Audit Code of Practice. These documents should be regarded at all times as the primary source of guidance.
- 1.4 All Board Members and external committee members are required, under advice from the Governance Officer, to act in accordance with these Standing Orders.

2. COMMITMENT TO STANDARDS

- 2.1 The Corporation is committed to the development and promotion of a set of core values to underpin all of its activities and promote the highest standards of governance. These values are reviewed regularly and are informed by principles and guidance for those holding public office.

2.2 Nolan Principles

The Corporation recognises that its values must conform to the principles laid down by the Committee on Standards in Public Life, namely:

Selflessness *'Holders of public office should take decisions solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family or their friends.'*

Integrity *'Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might influence them in the performance of their official duties.'*

Objectivity *'In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.'*

Accountability *'Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.'*

Openness *'Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.'*

Honesty *'Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.'*

Leadership *'Holders of public office should promote and support these principles by leadership and example.'*

2.3 **The Code of Good Governance for Colleges in Wales**

As far as possible, the Corporation aims to demonstrate and exceed, best practice as outlined in the Code of Good Governance for Colleges in Wales.

2.4 **Code of Conduct, Values & Behaviours**

2.4.1 The Board has approved a Code of Conduct, Values & Behaviours for its members, which incorporates the Nolan Principles and is regularly reviewed and updated. At the time of their appointment and annually thereafter, all members are required to sign a declaration to demonstrate their commitment to the agreed standards.

2.4.2 Any suspected breach of this Code should in the first instance, be brought to the attention of the Chair, via the Governance Officer. Following a meeting with the member in question, the Chair may issue an informal (verbal) warning or, if he/she considers the matter sufficiently serious, may refer the issue to the Search Committee for further consideration. The Search Committee will meet with the member concerned and, following consideration of the matter, may recommend the issue of a formal warning or, if appropriate (in the case of a significant breach), termination of membership. Any such action will require a resolution by the Board.

2.5 **Register of Interests**

2.5.1 The Governance Officer maintains a Register of Interests in respect of Board/committee members and senior postholders. Interests of a financial and/or non-financial nature, including those known interests of partners or close family members must be declared on appointment.

2.5.2 The Governance Officer will invite Members to update their declaration annually, but it is the responsibility of individual Board/committee members to ensure that their individual record of relevant interests is kept up to date by informing the Governance Officer of any changes in a timely manner.

2.5.3 The Register of Members' Interests will be made publicly available on the College website.

2.5.4 The Governance Officer maintains a record of all interests declared during the course of Board and Committee meetings. Such declarations and any subsequent action are also recorded in the meeting minutes.

2.6 **Gifts and Hospitality**

2.6.1 Members must not accept gifts or hospitality, or benefits of any kind, from a third party which could (or could be perceived to) compromise their individual judgement or integrity without the written approval of the Chair. Any offer of gifts and/or hospitality should be declared immediately in writing to the Governance Officer. Members will be required to sign an annual Declaration of Gifts & Hospitality.

- 2.7 **Whistleblowing - Public Interest Disclosure Act (PIDA) (1998)**
2.7.1 The Board has approved a policy in relation to Disclosure of Malpractice for all staff that sets out clear channels through which concerns about perceived irregularities at the College can be raised and properly dealt with, without the member of staff concerned having to fear victimisation or reprisal.

3. **BOARD MEMBERSHIP**

3.1 **Composition**

- 3.1.1 The Board has determined that its total membership will be **eighteen**, comprising of:
- The Principal/Chief Executive
 - Two staff members
 - Two student members
 - Thirteen independent members
- 3.1.2 The two staff members must be employed by the College and have been nominated and elected by staff of the College. One staff member will be employed as and elected by, teaching staff and the other will be employed as and elected by, non-teaching/business support staff of the College.
- 3.1.3 The two student members will be elected at an election open to all students of the College. One student member will be appointed for the Academic Year from August to July, the other will be appointed for the calendar year from January to December.
- 3.1.4 The determined membership may be varied by a subsequent determination, subject to the provisions of Clauses 2 and 3 of the Instrument of Government.
- 3.1.5 The Corporation is committed to the principles of equality of opportunity and diversity. As far as possible, the intention is that the membership will reflect the communities served by the College in terms of ethnicity, gender, disability, sexuality etc. However, the priority at all times is that the Board should have the best mix of skills, expertise and experience to enable it to fulfil its responsibilities.
- #### 3.2 **Appointment and Terms of Office**
- 3.2.1 The recruitment process for Board/committee members is set out in the Procedure for the Recruitment, Appointment and Induction of Corporation Members. All candidates/nominees for appointment must first meet with the Search Committee and the Board may not appoint any member without first considering the advice of the Search Committee.
- 3.2.2 All candidates for membership are required to complete a Corporation Application Form and a Skills & Diversity Survey. Before any appointment is finalised, the Governance Officer will request references and carry out relevant checks, including in relation to grounds for disqualification under Clauses 4 and 7 of the Instrument of Government. Governors will also be asked to complete an Enhanced DBS check.
- 3.2.3 If, after an interview process, the Search Committee deems that there are more candidates suitable for appointment than there are current vacancies, then the committee

may choose to record in the minutes its recommendation to add suitable candidate(s) to a 'Recommended List' for consideration to fill a future vacancy if there is an appropriate skills match. Candidate details will be retained for a period of one year after recommendation.

- 3.2.4 Other than the Principal/Chief Executive and the student members; all members will be appointed to serve a three-year term of office. The maximum continuous time a member can serve will be three consecutive terms, or nine years. The Corporation may, if it considers it appropriate, agree a different term of office for any individual member.
 - 3.2.5 The two student members are subject to annual election as laid down in the approved Students' Union Constitution. Their terms of office will expire on 31 July and 31 December respectively each year.
 - 3.2.6 Any Board/committee member will normally be eligible for reappointment at the end of his/her term of office. Re-appointment is subject to an individual's continued eligibility under clauses 4 and 7 of the Instrument of Government and to the recommendation of the Search Committee.
 - 3.2.7 The Student and Staff Governors are each subject to a relevant election process. Successful candidates will meet with the Search Committee following the relevant election process and their appointment remains subject to the recommendation of the Search Committee and approval of the Board.
 - 3.2.8 All other Members that wish to seek reappointment are required to submit the relevant form and to meet with the Search Committee. When considering re-appointments, the Search Committee will take into account the individual's past commitment and contribution to the work of the Corporation as well as the need to maintain a balance of skills on the Board and the need for a regular introduction of new ideas.
 - 3.2.9 Under the College's *'Meeting Family Commitments and Public Duties Policy'*, Staff Governors are entitled to a maximum of four days additional paid leave per teaching year (30 hours for hourly paid employees) in relation to fulfilling their duties as a Governor of Coleg Gwent.
 - 3.2.10 Occasionally, a member may find that temporary but significant personal or professional commitments interfere with his/her effective contribution to the work of the Corporation. In such circumstances, rather than resign their position, the member may apply in writing, via the Search Committee, for a 'leave of absence'. The Search Committee will take a view based on the individual's contribution and commitment to date, before making its recommendation to the Board. Where a leave of absence is granted, the member will continue to receive all correspondence and information as if they were still attending meetings and their membership will be counted in the attendance and quorum for all meetings.
- 3.3 Termination of Membership**
- 3.3.1 A Board/committee member may resign his/her office at any time by giving written notice to the Governance Officer.

- 3.3.2 The criteria for eligibility for membership apply equally to Board members and to external co-opted committee members. Board/committee members must inform the Governance Officer immediately if they suspect a change in their circumstances may render them ineligible for membership. If such grounds are substantiated beyond doubt, then the individual's membership will be terminated in writing by the Governance Officer, under advice of the Chair. The termination will be reported to the next Corporation Board meeting.
- 3.3.3 Paragraph 2.4.2 of these Standing Orders also incorporates provision for the termination of membership where there has been a serious breach of the Corporation's Code of Conduct, Values & Behaviours.
- 3.3.4 Any Board/committee member absent from meetings without good reason for a period of six months may be required by the Corporation to resign. In the first instance they will be invited to meet with the Chair to provide an explanation for the absence. If the absence continues, then the member will be invited to submit their resignation.
- 3.4 Induction and Training**
- 3.4.1 Following appointment, all new Board/committee members are required to take part in the Corporation Induction Process and to commit to an ongoing schedule of development and training designed to equip them as individuals and collectively, with the skills and knowledge to carry out their responsibilities to the highest standard.
- 3.5 Liability and Indemnity Insurance**
- 3.5.1 As part of the College's comprehensive insurance, Board and external co-opted committee members, senior postholders and the Governance Officer have the benefit of cover under a Directors' and Officers' Liability Policy. This policy is intended to offer protection in the event of claims made against them by third parties in connection with their individual or collective roles, acting for the College. All serving members are required to complete an annual declaration in connection with this insurance.
- 3.6 Allowances to Members**
- 3.6.1 Board/committee members are not permitted to receive any payment for their services as members. However, they may be reimbursed for reasonable expenses necessarily incurred as a result of attendance at any event associated with their role. Necessary expenses may include childcare and/or personal care where appropriate.
- 3.6.2 The Corporation Board has resolved that Members will be reimbursed for mileage incurred at the same rate as that paid to staff.
- 3.6.3 Eligible expenses will be claimed through the College online portal and claims will be checked and authorised by the Governance Officer, excepting claims made by the Chair which will be checked and approved by the Governance Officer and the Principal/Chief Executive or Vice Principal (Resources & Planning). Claims submitted by the Principal/Chief Executive and Governance Officer will be checked and approved by the Chair.

4 APPOINTMENT OF THE CHAIR AND VICE CHAIR

- 4.1 The Board will appoint a Chair and Vice Chair from among their number. The Principal/Chief Executive, staff and student members are not eligible to be appointed as Chair or Vice Chair.
- 4.2 The Board has chosen to operate with a Chair and one Vice Chair. Terms of Reference for these roles have been approved, these give guidance on the statutory functions of both roles and set out the key non-statutory responsibilities of the Chair and the supporting role of the Vice Chair. (See Appendix 1)
- 4.3 The Chair will assign specific non-statutory duties to the Vice Chair as required. The Vice Chair will normally chair any meeting from which the Chair is absent. The performance of any statutory functions attributed to the role of Vice Chair will be undertaken under report to the Board.
- 4.4 In circumstances where a temporary Acting Chair is required (such as longer term absence), the Vice Chair will consult with the Board and reach a mutual agreement on who will take on the role, taking into account individual circumstances and the need for continuity. In such cases, the Acting Chair will assume full responsibility for the statutory functions of the Chair and if necessary, a temporary Vice Chair will be appointed and will assume the statutory responsibilities for that role.
- 4.5 The term of office for the Chair and Vice Chair will be two years and will commence on 1st August of the year of appointment. In normal circumstances, appointment or re-appointment to roles of Chair and Vice Chair will be made biennially at the last Board meeting of the academic year following a nomination/election process to be overseen by the Governance Officer.
- 4.6 The Chair and Vice Chair appointments will be renewed in alternate years to ensure continuity of leadership.
- 4.7 The term of office of the Chair and Vice Chair will be limited to a maximum of three two-year terms, or six years in total. Re-appointment, as well as being subject to the biennial nomination and election process described above, is subject to the individual's wish to continue in office and to their on-going membership of the Corporation Board.
- 4.8 When a vacancy arises for either office, or as required under the biennial cycle of appointment/re-appointment, the Governance Officer will where appropriate, inform Board members of the wishes of the outgoing Chair/Vice Chair in relation to their future service. The Governance Officer will initiate a nomination/election process that will be open to all Board members.
- 4.9 Members nominating themselves for election to the role of Chair or Vice Chair must complete a Self-Nomination form and will be asked to submit a 'personal statement' setting out their suitability for appointment to the role. If only a single nomination is received, the appointment will be confirmed at the next scheduled Board meeting.
- 4.10 If two or more nominations are received for either of the offices, the Governance Officer will circulate details of each candidate, together with their personal statements, to all members. An election will be held (normally through the use of an electronic ballot) and

will culminate with the counting/verifying of votes. This process will be undertaken by the Governance Officer and overseen by two members of the Search Committee. Candidates will be invited to witness the ballot result.

- 4.11 In the event of a tied vote, the Search Committee will be required to make a recommendation to the Board in respect of the appointment(s).
- 4.12 A Chair or Vice Chair may resign their office at any time by giving written notice to the Governance Officer. However, wherever possible or practicable, the Board requires maximum notice in order to facilitate continuity of office.
- 4.13 If a new appointment to either role has to be made at any time other than at the end of the agreed biennial cycle, the biennial nomination/election process will take place when it next falls due, regardless of the length of time served by the new incumbent.

5. BOARD COMMITTEES

5.1 Committees

5.1.1 The Board has established the following committees to assist with the execution of its duties and responsibilities:

- Audit Committee (Statutory)
- Curriculum & Quality Committee
- Finance & Resources Committee
- Remuneration Committee
- Search Committee

Each committee operates under approved Terms of Reference which are reviewed and where necessary, updated annually. The Terms of Reference for these committees are attached at Appendices 2 to 6.

- 5.1.2 Under the Instrument & Articles of Government, the Board may also be required to establish a Reporting Committee, a Special Committee and/or an Appeal Committee as required (see 8.3). The Terms of Reference for these statutory committees are also subject to a review and approval cycle.
- 5.1.3 The Board may establish other such committees as it considers necessary to assist with the execution of its duties. The Terms of Reference for any such committees will be reviewed regularly.
- 5.1.4 Subject to statutory provisions, the Board may terminate by resolution, any committee as it considers necessary.

5.2 Committee Membership

5.2.1 Subject to statutory provisions and to the advice of the Search Committee, the Board may approve the appointment of any individual from within or outside its own membership to serve on any of its committees. This excludes those statutory committees required to deal with disciplinary matters described in 5.1.2. Any external members will be subject to the same membership criteria and responsibilities as if they were full Corporation Board members.

5.2.2 The membership of all committees will be reviewed by the Board annually at the last Board meeting of the academic year, taking into consideration advice on skills and diversity from the Search Committee if available. New committee offices and memberships will normally take effect from 1st August each year.

5.2.3 The length of service of a Committee Chair will normally be a maximum of six years, with the exception of the role of Chair of the Appeals Committee which will be held by the Chair of the Corporation during his/her Term of Office.

5.2.4 Student Governors, Staff Governors (including the Principal/Chief Executive) and external members, are not eligible to be appointed as Chair or to act as temporary Chair, of any committee.

6. BOARD AND COMMITTEE MEETINGS

6.1 Meeting proceedings

6.1.1 The Governance Officer will prepare and circulate to all members, a twelve-month schedule of meetings. This schedule will take into account the requirements of the Business Schedule for each committee. The Board or any committee may agree to alternative scheduling arrangements by mutual agreement and under advice of the Governance Officer.

6.1.2 The Governance Officer will convene all scheduled meetings. He/she will provide at least five working days' written notice of each meeting, together with an agenda. Except in very exceptional circumstances, he/she will also provide all related meeting papers at this point. Notification and relevant papers will normally be provided electronically.

6.1.3 If, after consultation with the Principal/Chief Executive, or another lead officer at the College, and the Governance Officer, it is agreed that there is insufficient business to justify a meeting, then the appropriate Chair may cancel the meeting. In such cases, all scheduled business will be carried forward to the subsequent meeting in the agreed schedule.

6.1.4 The appropriate Chair may call a Special Meeting of the Board or any of its committees at any time. A Special Meeting may also be called if any five members submit a request in writing to the Governance Officer. Where practicable, at least five working days' notice will be given of a Special Meeting. However, where the Chair (or in his or her absence, the Vice Chair) directs that there are matters requiring urgent attention, then less notice may be given.

6.2 Quorum

- 6.2.1 The quorum for meetings of the Board will be **50%** (rounded up) of the eligible current determined Board membership.
- 6.2.2 The quorum for a meeting of a Board committee will normally be **50%** and is specified in the approved Terms of Reference for each committee.
- 6.2.3 If the number of Members assembled for a Board or committee meeting does not constitute a quorum, then the meeting will not normally be held.
- 6.2.4 If, during the course of a meeting, there ceases to be a quorum, the formal meeting will be terminated immediately. At the direction of the Chair and under advice from the Governance Officer, informal discussions may take place but no vote or decision can be made and any business requiring a decision must be carried over to a future meeting. Depending on the urgency of the matter, the decision may be carried over to a Special Meeting convened for the purpose or to the next scheduled meeting.

6.3 Attendance at meetings

- 6.3.1 Under clause 14 of the Instrument of Government, the Board has resolved that no Board or committee meeting will be open to the public or press, unless by prior agreement of the relevant Chair. Application to attend a Board or committee meeting must be made in writing to the Governance Officer and should normally be received at least one week before the date of the meeting. This policy is reviewed on a three-yearly basis at the same time as these Standing Orders.
- 6.3.2 Under the terms of clause 6 of the Instrument of Government, the Governance Officer is entitled to attend all meetings of the Board and its committees and will be required to withdraw only in accordance with the terms of clause 13 (8) of the Instrument of Government.
- 6.3.3 No meeting can take place without the Governance Officer being in attendance, with the exception of the Remuneration Committee. If the Governance Officer is unavailable, a temporary Governance Officer will be chosen by the Chair of the meeting to advise upon and record proceedings (see also 6.4.4).
- 6.3.4 The members of the Corporate Management Team will normally attend meetings of the Board. The Chair may, under advice from the Governance Officer, direct that their attendance is inappropriate on the basis of the nature of the business to be discussed.
- 6.3.5 Board Members will normally be permitted to attend a meeting of any committee, except those statutory committees dealing with disciplinary matters under the terms of articles 8-11. This is subject to the consent of the relevant Committee Chair. The Board and its committees must admit up to two authorised observers if so directed by Welsh Government.
- 6.3.6 Any permitted guests at a meeting may only participate in discussion at the invitation of the Chair.
- 6.3.7 The Governance Officer will record attendance and apologies in the minutes of every meeting. He/she will also maintain an ongoing record of all attendance and the Search

Committee will review this annually. The Search Committee may request intervention by the Board Chair if appropriate.

6.4 Withdrawal from meetings

6.4.1 If an item for discussion at a meeting relates to a matter in which a member has a financial or other interest, that member will wherever possible, declare that interest prior to discussion of the relevant item. The Governance Officer will note all such declarations in the minutes and in the Register of Declared Interests.

6.4.2 If a member has declared an interest as described in 6.4.1, then they will normally take no part in discussion of that item of business and will not vote on the matter. If the majority of members present feel it is appropriate, the member who has declared an interest will withdraw from the meeting during discussion of that item. If the Chair is required to withdraw having declared a relevant interest, he or she will temporarily vacate the Chair to the Vice Chair or another eligible member.

6.4.3 Staff (including the Principal/Chief Executive) and/or Student Members and/or the Governance Officer may be required to withdraw from a meeting under the terms of clause 13 of the Instrument of Government.

6.4.4 If the Governance Officer is required to withdraw from a discussion under the terms of clause 13 (8) of the Instrument of Government, (see also 6.3.2 & 7.2.5), then the Board/Committee Chair will appoint a temporary Governance Officer to record and advise on proceedings. The Principal/Chief Executive cannot be appointed as temporary Governance Officer.

6.5 Proceedings and Rules of Debate

6.5.1 All discussion will be through the Chair of any Board or committee meeting.

6.5.2 Members who have submitted their apologies for a meeting may submit comments on a specific item of business in writing to the Governance Officer or the Board/Committee Chair. They may request that their comments be communicated to the meeting, however, no member may vote on a resolution in his or her absence or by proxy. At the discretion of the relevant Board or committee Chair, a member may participate in a meeting remotely through the use of technology.

6.5.3 In discussion, members must respect the right of others to express their personal views, however, nothing should be said or done in the course of a meeting that could bring the Board into disrepute.

6.5.4 Members share a collective responsibility and have a duty to alert other members if they are aware that any acts or omissions may have adverse or unintended consequence and/or to offer guidance as to the need to take professional advice.

6.5.5 A member may raise a point of order at any time during a meeting if they believe that the provisions of the Instrument & Articles of Government, these Standing Orders or any other recognised authority are being ignored. The Member raising the point of order must substantiate his or her claim which will be dealt with immediately by the Chair. The ruling of the Chair, under advice from the Governance Officer, will be final and may not be challenged further at the meeting. A request may however be made for the Governance

Officer to substantiate the probity or legality of a decision, by seeking appropriate external advice and the outcome of this advice will be reported to the next meeting.

6.5.6 If the Chair is of the opinion that any member is disrupting the business of the meeting by behaving improperly or offensively, or is persistently disregarding the ruling of the Chair, then the Chair may move that the member will not be heard any further. If seconded, this motion will be determined with immediate effect. In extreme cases, the Chair may require a member to leave the meeting.

6.5.7 It is the responsibility of the Chair, in collaboration with the Governance Officer, to ensure a balance between all members having the opportunity to contribute and maintaining the focus of discussions. If however, members believe that it would be helpful for the efficient conduct of business, one or other of the following motions may be put forward:

- that the question now be put; or
- that the Board/Committee proceed with the next item of business.

Both of these motions must be seconded. If such a motion is carried, it will be acted on without further discussion. The Chair has the right however, to give his/her view and to sum up before the vote is taken in order to be satisfied as to whether or not the issue has been sufficiently dealt with before proceeding.

6.5.8 Every question to be decided at a meeting will be determined by a simple majority of the votes of the eligible Members present. It is not always necessary to conduct a vote if Members are clearly unanimous in their view. If a vote is required, then this will normally be determined by a show of hands. A Member may not vote by proxy. All decisions taken by the Board and the outcome of any vote taken will be recorded in the minutes of the meeting.

6.5.9 If there is an equal division of votes, the Chair will have the casting vote.

6.5.10 If the Chair or a majority of members present, are of the opinion that an issue is of a particularly sensitive nature and requires a secret ballot, then a resolution must be passed before such a ballot is held.

6.5.11 If a member disagrees with a decision of the Board or one of its committees, that member has the right to request that his/her contrary opinion be recorded in the minutes of the meeting. The member concerned will however, continue to share collective responsibility for the decision taken.

6.6 Delegation of functions

6.6.1 Article 4(8) of the Articles of Government specifies the core functions of the Board that may not be delegated. The Board has, however delegated a number of its other functions to different committees and has approved a Schedule of Delegation setting out which functions have been delegated.

6.6.2 The Chair and Vice Chair's Terms of Reference specify a limited number of situations where the Chair (or, in his/her absence, the Vice Chair) is authorised under report from the Board, to act on its behalf between meetings as permitted under the statutory Articles of Government.

- 6.6.3 Whenever a delegable Board function, outside the provisions of 6.6.1 or 6.6.2, is required to be carried out by the Board Chair, Vice Chair or a committee or committee Chair, then full details of the delegation must normally be approved at a relevant Board or committee meeting prior to the actual event. Where such approval is given, it should be specific and time limited. Completion and/or expiry of the delegated function should be formally reported at the next Board/committee meetings and be recorded in the minutes.
- 6.6.4 If the Chair is unexpectedly required to take urgent action between meetings, every effort will be made (where time permits) to advise and consult with members. Any such Chair's action will be subject to formal endorsement by the Board at the next meeting.

7. RECORDS OF MEETINGS

7.1 Agendas and Papers

- 7.1.1 The Governance Officer will prepare the first draft of all meeting agendas, including the designation of confidential business. The agenda and format will be finalised in consultation with the Chair of the meeting and the Principal/Chief Executive (or other relevant member of the Corporate Management Team). The agenda for each meeting must be agreed at least ten working days in advance of the meeting.
- 7.1.2 If a meeting is to consider the remuneration, conditions of service, conduct, suspension, dismissal or retirement of the Governance Officer, the Chair will arrange to ensure that any relevant papers and/or agenda are provided to members at least five working days before the meeting.
- 7.1.3 If an individual Member wishes to request that an item is included on the agenda for a meeting, they should contact the Board/Committee Chair, via the Governance Officer. Such a request must be made in good time to allow for the timescales for the production and circulation of meeting papers as set out in 7.1.7. The final decision on the inclusion of any item lies with the Board/committee Chair.
- 7.1.4 The Agenda for each Board/committee meeting will include an item for 'Any Other Business'. Wherever possible, such items should be notified to the Chair, via the Governance Officer, in advance of the meeting.
- 7.1.5 No meeting will normally be asked to pass a resolution or make a decision unless the matter appears as a substantive agenda item and is accompanied by an appropriate, written report that clearly sets out what is required of the Board/committee.
- 7.1.6 In accordance with clause 13(3) of the Instrument of Government, no resolution or formal decision can be rescinded or varied at a subsequent meeting unless the consideration of the rescission or variation is included as a specific agenda item for that meeting (discussion under 'Matters arising' from the previous meeting is not sufficient). The proposal to rescind or amend the previous decision must also be set out in a written report as described at 7.1.5.
- 7.1.7 All papers relating to agenda items must be submitted to the Governance Officer as soon as possible, and at least six working days ahead of the meeting. The Governance Officer will distribute the agenda and all papers for a meeting a minimum of five working days prior to the meeting (normally by electronic means).

- 7.1.8 Wherever possible and practicable, reports submitted for Board/Committee consideration or approval will examine a number of options and carry a single recommendation that will form a clear basis for discussion.
