OUR CAMPUSES

City of Newport campus

Offering a wide range of both vocational and academic courses, fully aligned to local employment opportunities in the area, our City of Newport campus hosts fantastic facilities. These include well-equipped engineering & construction workshops, art studios, science laboratories and hairdressing & beauty salons, as well as an innovative digital technology suite.

Our campus is in a great location just a few minutes drive from the city centre. Known for its lively cultural scene from festivals to global sporting events, Newport is a great place to be a student. And, for those travelling from the Bristol area, the campus is also just an eight minute drive to the M4 and is easily accessible by car.

Crosskeys campus

Our largest campus offers over 30 A Level subjects, degree qualifications and a rich and diverse range of vocational courses.

The campus also hosts impressive theatre facilities for performing arts, a restaurant and hair and beauty salon both open to the public, industry standard equipment for its advanced manufacturing courses, a Higher Education Hub for those studying degree level qualifications and a Learning Centre equipped with a mac suite, books and access to online journals. Crosskeys Campus is also home to the Dragons Junior Rugby Academy where students can develop their rugby skills alongside their chosen course!

Apply online now at www.coleggwent.ac.uk/parttime

Blaenau Gwent Learning Zone

Since opening in 2012, Blaenau Gwent's cutting-edge Learning Zone has become the home of all A Level education in the county. Also hosting a wide range of vocational and higher education courses, the centre's state-of-the-art facilities include purpose-built construction workshops, recording studios, Mac computer suites, a performance area, hair and beauty salons that are open to the public and a Learning Resource Centre!

Usk campus

Our rural centre. Usk campus is home to our agricultural, sport and leisure and public services courses. Surrounded by beautiful countryside and set on the edge of the historic Usk town, it's the campus to choose if you have a passion for nature and the outdoors. New facilities on site include a state-of-the-art Learning Centre and a student café. Complete with a 296 acre working farm, animal and equine centres, refurbished gym, sport and outdoor education facilities, we welcome around 850 students a year from across the UK. We're in easy reach of Monmouth, Abergavenny, Chepstow, Cwmbran, Pontypool and Newport and close to the M4 motorway, which is ideal for our students who are travelling from further afield.

Opening soon

Torfaen Learning Zone

Our **new** centre has state of the art facilities, including a performance hall, music and media suite, an art studio, plus lots more! Situated next to Morrisons in the centre of Cwmbran, it's easily accessible by public transport and has an on-site car park.

Apply online now at www.coleggwent.ac.uk/parttime

MADE FOR YOU

Want to learn a new skill? Turn a hobby into a profession? Or fancy a career change? Then why not study part time at one of Wales' top performing colleges?*. Our 150 courses run during mornings, afternoons and evenings throughout the year to fit around your lifestyle, made for convenience.

As one of the largest providers in Wales, our lecturers and staff are dedicated to helping you achieve your goals. Our five unique learning centres are located across five boroughs, enabling you to study closer to home and spend less money and time on travel, made for you.

With a community of over 23,000 students, industry links and partner universities, you're provided with great opportunities to build friendships and expand your professional networks. College isn't just for 16 year olds, we welcome students from all walks of life and all ages; it's never too late to start your success story with us!

Choose a course

Applying for a part time course at Coleg Gwent couldn't be simpler. Look through the guide at the courses that take your fancy then apply via our website www.coleggwent.ac.uk/parttime or by phone on 01495 333777 (Croesawn alwadau yn Gymraeg). You can also speak to tutors about part time courses at one of our open events - find out more at www.coleggwent.ac.uk/open.

Get in touch

Contact our friendly Student Recruitment team to find out more about our courses. We can help you with course queries and key deadlines, additional learning support, finance information, our campuses and our open days.

MADE FOR GRADUATES

University
level
qualifications
on your
doorstep!

Gain a university qualification at Coleg Gwent

Did you know that you can gain a university qualification at Coleg Gwent? We have a growing number of higher education courses, so whatever you're interested in, why not take a look in our HE guide or on our website?

You can study courses in...

- Equine & Animal Health
- Construction & The Built Environment
- Business, Management & Tourism
- Creative Industries
- Public Health & Care
- Humanities & Education
- Science, Engineering & Technology
- Sport & Public Services

By studying with us, you'll save time and money on travel and accommodation, perfect for fitting study around work/life commitments. Our classes are smaller and more intimate than a university setting so you can get the help and support you need. As a HE student, you could also be eligible for financial support and subsidies to help with the cost of studying.

Coleg Gwent is a collaborative partner of the University of South Wales, Aberystwyth University, the University of Worcester, Cardiff Metropolitan University and Pearson.

Not sure if you meet the requirements?

We don't have strict entry requirements for our higher education courses; we consider you as an individual. We look at your life and work experience, as well as previous qualifications.

PATHWAY TO DEGREE/UNIVERSITY

(ACCESS TO HIGHER EDUCATION)

Courses

Access Head-Start Workshop

Level: N/A

Campus: Torfaen

Access to HE - Nursing, Medical and Health Care Studies

Level: 3

Campus: Newport

So, why study a pathway to degree?

- 1 It will improve your prospects, making success more likely and helping you achieve that dream career.
- 2 It proves you have valuable skills such as studying independently and meeting deadlines.
- 3 Most employers ask for a degree, it shows that you're competent.
- 4 It proves you can commit to something, withstand hard work and go the distance.
- 5 As well as giving you a qualification, you'll gain a wealth of experience and you'll definitely make contacts to help you in future.

“ I needed a qualification in order to move further with physiotherapy. Although working as a Physio Assistant, my frustration was not being able to progress in my current role but coming to Coleg Gwent has enabled me to break that barrier. I found my teachers to be enthusiastic and motivated to get their students into university and to get the best they can out the course. ”

“

Ever since I was little I've always wanted to work with animals... Ultimately I would like to work as a veterinary nurse in a zoo. I knew that I'd feel at home here straight away and I did. The practicals are my favourite part, we clean the enclosures and feed and handle the animals. There's lots of opportunities on offer studying at Coleg Gwent.

“

I chose this course to improve my English as I was studying a Masters degree in Business and Technology in Spain. The topics studied in the classroom have helped with everyday life as well as my degree. The tutors are very understanding. When I arrived, I could only speak a little bit of English and was too nervous to ask questions. Now I can confidently hold a conversation.”

“

I knew I wanted to do something with childcare and a focused coursework-based subject. I like the sense of independence you get at Coleg Gwent. I have three days a week in a placement as a teaching assistant at Usk Primary School and the remaining two days in the classroom.”

“

The course is really good as you get to do different things and learn new skills. There's a bit of studying and practical work; I'd recommend cooking and woodwork. The teachers are helpful and the class is small but nice. I'm hoping to find a job after finishing this course.

“

I'd like to make it in the film industry. My advice for students wanting to study this course? Go for it - you get so much help. I came on this course not knowing anything about acting and the tutors have helped me progress so far.”
