

# MUSIC, DRAMA & DANCE

This industry is all about creative buzz, energy and drive. If you feel at home on the main stage, in the recording studio or the dancefloor then this is the industry for you.

Read up on the different career paths you could follow:

## Performing Arts

Do you have a passion for entertaining and putting on a performance? Then acting is for you! Express your creativity and emotion through performing. Work in the West End, on the nation's favourite soap, or even the big screen. Ideal for those who prefer working flexible hours as you may work long hours and on weekends.

## Music

Music sounds better with you. Varied and vast, jobs in the music industry include musicians, songwriters, producers and management, plus lots more. From working

in radio, festivals and the recording studio, there's different avenues to take. You can also go into journalism, teaching and marketing, specialising in music.

## Dance

Join the 30,000 people employed in the dance sector! You'll be dedicated, disciplined and will have a good work ethic to perform, as training can take place round the clock. From jazz, swing, hip-hop and ballroom, you can choose the style that's right for you. Jobs also include choreography, teaching and therapy if you prefer to a career away from the main stage.
