

Coleg Gwent

Annual Report on the Welsh Language Standards

1st August 2020 – 31st July 2021

December 2021

Introduction

Coleg Gwent's Welsh Language Standards Annual Report provides details of Coleg Gwent's compliance to Service Delivery Standards, Policy Making Standards and Operational Standards during this time. The Welsh Language Standards have replaced the Welsh Language Scheme at the college and set clear expectations in respect of both our bilingual services and the way Welsh is used internally.

On the 29th of September 2017, Coleg Gwent received a Final Compliance Notice from the Welsh Language Commissioner. The notice outlines the college's duty to meet 182 of the statutory Welsh Language Standards established by the Welsh Government under the Welsh Language (Wales) Measure 2011. A successful application was made by Coleg Gwent to the Welsh Language Commissioner to contest 6 of the standards, 3 Service Delivery Standards (Standards 55, 58 and 59) and 3 Operational Standards (Standards 128, 131 and 133). This resulted in a later Imposition Day, 1st of October 2019, for Coleg Gwent for these standards. In August 2019 the college successfully requested a further extension for Standards 55, 58 and 59 (standards relating to the new website) up to December 16th 2019.

Since the 1st of October 2018, the College has complied with all 182 standards making the consideration of the Welsh Language Standards a routine part of staffs' day to day work.

Compliance with the Service Delivery Standards

A document is shared with staff entitled "Welsh Language Standards: What do they mean for me?" All Coleg Gwent staff are aware that they must comply with the standards.

Welsh Language Standards What do they mean for me?

The Welsh Language Standards are a set of legally binding requirements that aim to improve the bilingual services that the people of Wales can expect to receive from the public sector. All Coleg Gwent staff must comply with the following:

Make sure your email signature is fully bilingual

You must greet all callers on the phone bilingually
e.g. *bore da/good morning, prynhawn da/good afternoon.*

Your out of office message needs to be fully bilingual

If you are not able to continue with a call in Welsh, offer to contact a Welsh speaking member of staff. A list can be found in the Welsh section of the intranet.

When you send any correspondence it should be bilingual unless the receiver has stated to you otherwise

Any correspondence to staff groups that include Welsh speakers have to be bilingual

Public events/award ceremonies should have a bilingual greeting and all publications must be bilingual

All visitors to any reception areas have to be greeted bilingually

Notices/posters (apart from those generated by learners, although this should be encouraged) should be bilingual with Welsh placed so it's likely to be read first.

If you receive any correspondence in Welsh, you must reply in Welsh.

All student documents/forms will have to be bilingual

Welsh speakers are encouraged to wear a badge/lanyard to show others that they are able to converse in Welsh

Teaching Staff should also be aware that:

Learners should be made aware that they can submit work in Welsh if they so wish.

Welsh speaking learners should be offered access to a Welsh speaking personal tutor.

We know that most of you are already doing these things but we have to be extra careful that we all comply with the new legislation to avoid heavy fines and reputational damage to the college.
If you need any assistance with the above, then don't hesitate in contacting a designated Welsh speaking member of staff on your campus. A list can be found in the Welsh section of the intranet.
You can also e-mail WelshStandards@coleggwent.ac.uk with any general enquiries

Staff Training

Coleg Gwent participate in Colegau Cymru/Coleg Cymraeg Cenedlaethol's Work Welsh FE project to upskill lecturers to use Welsh in their teaching. In 2020-21, 22 members of staff were enrolled on the project.

As of July 2021 a total of 11 teaching staff received Sgiliaith's 'Embedding the Welsh Language' training, to offer a more bilingual education to learners. Further Sgiliaith remote training has been undertaken by staff in different roles, including 13 managers and senior managers.

Monitoring Compliance

The Welsh/Bilingual Team continued to work closely with other senior managers to give advice on complying to the Welsh language standards and hold regular informal meetings with individual key staff including, heads of curriculum, marketing, HR and Welsh speaking staff.

Random internal checks are undertaken on signage, voicemail messages, and regular Mystery Shopper type exercises are conducted. The Mystery Shopper exercise looks at the service offered by the college, including face-to-face interaction with reception staff, phone and online enquires.

Results from the latest audit carried out in April 2021 showed the college was fully compliant in most cases. The internal audit included standards relating to curriculum and holding meetings. The Bilingualism Team requested evidence from the Director of Curriculum that Welsh assessments were carried out on all new course proposals. The evidence was very satisfactory and gave the auditors full confidence that the college is compliant with the relevant Standards. The audit team also requested evidence from key PAs to senior staff that relevant Standards were complied with in relation to arranging meetings. Although evidence with regards to organising face to face meetings was satisfactory, this was not always the case for organising virtual meetings. Extra training was provided for PAs to be fully aware that the same principles apply for both face to face and virtual meetings. This area will be audited again in the next round.

The Welsh online enquiry sent in June 2021 received a prompt Welsh response.

The findings from the audits are shared with relevant managers and staff to discuss their strengths. Further training and guidance is arranged in areas where non-compliance has been found.

The college has a Welsh Language Steering Group which is co-chaired by the Bilingual Development Manager and the Head of Bilingualism and Community Learning, and is mainly a management group. The group meets once every term to discuss updates regarding the Welsh Language Standards, including Mystery Shopper results, among other Welsh/Bilingual matters.

Staff Welsh Language Skills

On the 31st of July 2021, a total of 93 members of staff (8%), could speak Welsh fluently or at an advanced level.

The following table provides further details of staff levels of spoken and written Welsh, in July 2021. The Welsh language levels of staff working for the Welsh for Adults Centre in Gwent are included.

| Level of Welsh | Welsh Oral (number of staff) | Welsh Oral (%) |
|-----------------------|---|-----------------------|
| None | 493 | 44 |
| Very Basic | 258 | 23 |
| Basic | 302 | 27 |
| Intermediate | 37 | 3 |
| Advanced | 12 | 1 |
| Fluent | 81 | 7 |

A range of opportunities are promoted to all members of staff to improve their Welsh language levels. Due to new provision and opportunities to upskill at the college, the numbers of staff moving up the levels of fluency should continue to increase.

Recruiting to New and Vacant Posts

Between the 1st August 2020 and 31st of July 2021 the number of new and vacant posts that Coleg Gwent advertised which were categorised according to various requirements in respect of Welsh Language Skills, are as follows:

- Desirable – 82
- Essential – 7
