Coleg Gwent

Annual Report on the Welsh Language Standards

1st August 2021 – 31st July 2022

December 2022

Introduction

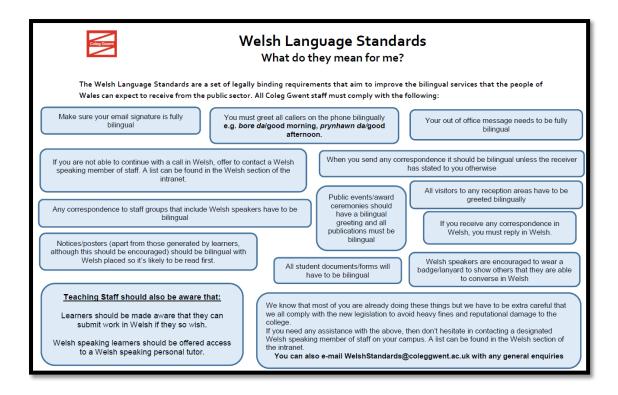

Coleg Gwent's Welsh Language Standards Annual Report provides details of Coleg Gwent's compliance to Service Delivery Standards, Policy Making Standards and Operational Standards during this time. The Welsh Language Standards have replaced the Welsh Language Scheme at the college and set clear expectations in respect of both our bilingual services and the way Welsh is used internally.

On the 29th of September 2017, Coleg Gwent received a Final Compliance Notice from the Welsh Language Commissioner. The notice outlines the college's duty to meet 182 of the statutory Welsh Language Standards established by the Welsh Government under the Welsh Language (Wales) Measure 2011. A successful application was made by Coleg Gwent to the Welsh Language Commissioner to contest 6 of the standards, 3 Service Delivery Standards (Standards 55, 58 and 59) and 3 Operational Standards (Standards 128, 131 and 133). This resulted in a later Imposition Day, 1st of October 2019, for Coleg Gwent for these standards. In August 2019 the college successfully requested a further extension for Standards 55, 58 and 59 (standards relating to the new website) up to December 16th 2019.

Since the 1st of October 2018, the College has complied with all 182 standards making the consideration of the Welsh Language Standards a routine part of our day to day work.

Compliance with the Service Delivery Standards

A document is shared with staff entitled "Welsh Language Standards: What do they mean for me?" All Coleg Gwent staff are aware that they must comply with the standards.

Staff Training

Coleg Gwent participate in Colegau Cymru/Coleg Cymraeg Cenedlaethol's Work Welsh FE project to upskill lecturers to use Welsh in their teaching. In 2021-22, 35 members of staff were enrolled on the project, an increase of 13 from the previous year.

As of July 2022 a total of 260 teaching staff received Sgiliaith's 'Embedding the Welsh Language' training, to offer a more bilingual education to learners. That is a huge increase on the figure of 11 for the previous year. Further Sgiliaith remote training has been undertaken by staff in different roles, including 7 receiving one-to-one mentorship.

Monitoring Compliance

The Welsh/Bilingual Team continued to work closely with other senior managers to give advice on complying to the Welsh language standards and hold regular informal meetings with individual key staff including, heads of curriculum, marketing, HR and Welsh speaking staff.

Random internal checks are undertaken on signage, voicemail messages, and regular Mystery Shopper type exercises are conducted. The Mystery Shopper exercise looks at the service offered by the college, including face-to-face interaction with reception staff, phone and online enquires.

Results from the latest audit carried out in May 2022 showed the college was fully compliant in most cases. The internal audit included open events and reception areas. The Bilingualism Team attended open events and the evidence was positive, with minor incidences of unclear compliance that were dealt with directly with relevant staff.

The Welsh enquiry in BGLZ reception in November 2021 was dealt with according to agreed procedures.

The findings from the audits are shared with relevant managers and staff to discuss their strengths. Further training and guidance is arranged in areas where non-compliance has been found.

The college has a Welsh Language Steering Group which is co-chaired by the Bilingual Development Manager and the Head of Bilingualism and Community Learning, and is mainly a management group. The group meets once every term to discuss updates regarding the Welsh Language Standards, including Mystery Shopper results, among other Welsh/Bilingual matters.

Staff Welsh Language Skills

On the 31st of July 2022, a total of 117 members of staff (8.5%), could speak Welsh fluently or at an advanced level. A half a percent increase on the previous year.

The following table provides further details of staff levels of spoken and written Welsh, in July 2022. The Welsh language levels of staff working for Learn Welsh Gwent are included.

Level of Welsh	Welsh Oral (number of staff)	Welsh Oral (%)
None	537	39
Very Basic	323	23
Basic	363	26
Intermediate	36	3
Advanced	17	1
Fluent	100	7

A range of opportunities are promoted to all members of staff to improve their Welsh language levels. Due to new provision and opportunities to upskill at the college, the numbers of staff moving up the levels of fluency should continue to increase.

Recruiting to New and Vacant Posts

Between the 1st August 2021 and 31st of July 2022 the number of new and vacant posts that Coleg Gwent advertised which were categorised according to various requirements in respect of Welsh Language Skills, are as follows:

- Desirable 80
- Essential 12
