

FULL TIME GUIDE 2024/25

MAKING 
YOUR  **FUTURE**
BRIGHTER
STARTS HERE

MAKE IT **AT COLEG GWENT**

It's an exciting time to join Coleg Gwent and I'm delighted that you're considering studying with us. In this guide, you'll find lots of information about the wide range of courses we offer, as well as our support services designed to help you thrive at college.

At Coleg Gwent, we offer a variety of study options including A Levels and vocational courses that offer strong progression to higher education or employment. When you choose to study with us, our talented staff are committed to supporting you every step of the way, whether you're a school leaver, a young professional or someone returning to education after a break. We're here to help you make the right choice for your future.

With award-winning teaching, industry-standard facilities and extracurricular activities to boost your CV, you can be sure to receive the very best opportunities to help you succeed and excel. If you have any questions about our courses, please pop along to one of our open evenings, where you can see the campus and chat to our friendly staff!

THIS GUIDE WILL PROVIDE YOU WITH ALL THE INFORMATION YOU NEED ABOUT OUR FULL TIME:

WHY CHOOSE

COLEG GWENT?

OUR SUCCESS

In 2022/23, 97.4% of A level students at Coleg Gwent achieved A*-E grades, with equally outstanding results and high grades across our 48 different vocational subject areas.

ACHIEVE YOUR GOALS

We're here to help you plan your career path, whether you're looking to move up to the next level or pursue a Degree. We can help you!

MEET THE EXPERTS

Our award-winning and experienced tutors are experts in their field.

So you'll be learning from the best.

IMPROVE YOUR EMPLOYABILITY

We can help provide opportunities for work experience, apprenticeships and placements.

Apply at www.coleggwent.ac.uk

THE 'WOW' FACTOR

Our 'What's on Wednesdays' give you dedicated timetable slots for enrichment.

Take advantage of our sports clubs and societies, Duke of Edinburgh, fundraising and volunteering opportunities and much more!

WE LISTEN TO YOU

We use your feedback to improve the college experience.

In fact, we've won national awards for our learner voice activities.

SPECIALIST FACILITIES

Our first-class facilities will help you gain practical and technical experience that you'll use in the workplace.

From hair and beauty salons and recording studios to motor vehicle workshops and a full working restaurant - there's plenty to take advantage of!

SPOILT FOR CHOICE

We've a huge range of courses, with over 30 A Level subjects, 150 full time vocational courses, apprenticeships and university level courses.

SUPPORTING YOU

Our team of specialist support staff will help you achieve your goals.

Every student has access to support for learning, wellbeing, and finances, as well as specialist support for those with learning difficulties or disabilities.

WE'RE A DIVERSE & INCLUSIVE COLLEGE

We're an inclusive and diverse college where everyone is welcome.

We take pride in creating a welcoming environment that embraces diversity, where you can feel confident that you can be who you are without fear of judgment.

OPEN EVENTS

MAKE IT YOUR NEXT STEP

Our open events cover everything you need to know about college life. We encourage you to register before attending but don't worry, you're more than welcome to drop-in.

CAMPUSES

At Coleg Gwent we have five vibrant and diverse campuses to choose from, so we're confident you'll find a location that's right for you.

TORFAEN LEARNING ZONE

Offering a broad range of over 30 A Level subjects, vocational and university level courses. Torfaen Learning Zone is our newest, purpose built campus with state-of-the-art science laboratories, performance theatre and much more!

T

Apply at www.coleggwent.ac.uk

U

USK CAMPUS

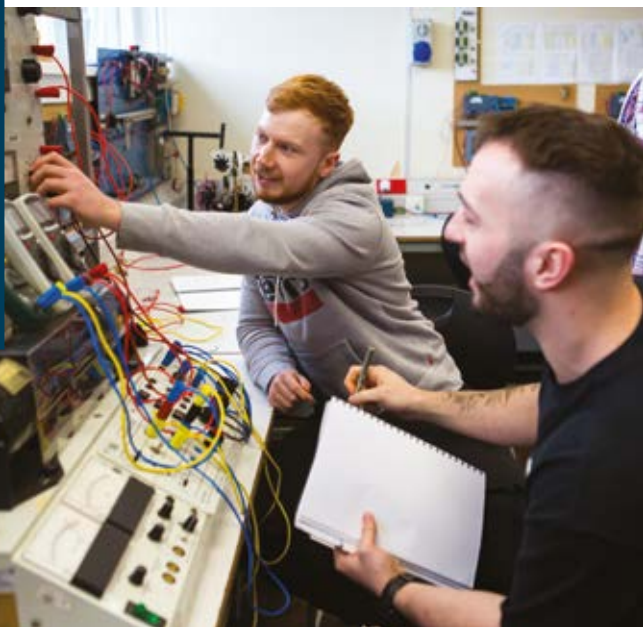

Our rural centre in Usk is home to our land-based, sport, leisure and public services courses. Complete with a vet nurse training centre, an animal care centre, indoor and outdoor equine schools, fully functioning gym, sports pitches and a performance analysis suite.

CROSSKEYS CAMPUS

C

Our largest campus offers over 30 A Level subjects, degree qualifications and a range of vocational courses. The campus boasts impressive theatre facilities for performing arts as well as 'Morels' restaurant and Blwm hair and beauty salon which are both open to the public.

CAMPUSES

BLAENAU GWENT LEARNING ZONE

B

Since opening in 2012, Blaenau Gwent's cutting-edge Learning Zone is home to all A Level education in the county alongside hosting a wide variety of vocational and higher education courses. Facilities include; a cyber hub, performance theatre, Blwm hair and beauty Salon, engineering suites, construction workshops and much more!

CITY OF NEWPORT CAMPUS

Offering a wide range of both vocational and academic courses, our City of Newport campus hosts fantastic facilities, including; well-equipped engineering and construction workshops, an automotive technician accreditation (ATA) centre, art studios, science laboratories, Blwm hair and beauty salons, as well as an innovative digital technology suite.

N

OUR NEW HIVE CENTRE (COMING SOON)

Our new High Value Engineering (HIVE) Centre in Ebbw Vale is due to open at the former Monwel factory site in the 2024-25 academic year. With a growing need for STEM knowledge and skills in the local economy, it's Coleg Gwent's ambition to educate the workforce of the future in a dedicated facility where learners will be surrounded by innovation and technology reflective of industry.

PERSONAL TUTORS

You will have your own personal tutor
who will review your academic progress,
provide support and offer guidance
and encouragement to ensure that you
successfully complete your course.

Togetherall is an online community for mental health support, with 24/7 access to trained professionals.

Togetherall will help you manage mental health conditions, take control, feel better and maintain positive wellbeing while you're at college.

We want you to get the best out of your time with us. That's why, at each campus we have a dedicated support team to help you through college.

Whether you want help finding financial support, help dealing with stress and anxiety, careers advice or help managing your workload and preparing for assessments or exams – the CG support team can help.

SUPPORT FOR ADDITIONAL LEARNING NEEDS

If you have a learning difficulty and/or a disability, we can provide lots of support. This could include:

- » In-class support from an Additional Support Assistant
- » Extra sessions for help with assignments and coursework
- » Help from a Communication Support Worker
(Available to deaf or hearing impaired learners)
- » Dyslexia support
- » Access to the CG Support Team
- » ARROW sessions to help you improve your reading and spelling skills
- » Use of accessibility software including initial training
- » Exam access arrangements

» WWW.COLEGGWENT.AC.UK/SUPPORT

OUT OF THE CLASSROOM

At Coleg Gwent, we offer a range of activities and initiatives that will ensure you make the most of your time here. These activities provide excellent opportunities to make new friends, learn new skills, help others, and improve your health and wellbeing.

TRIPS & VISITS

You can join us on a range of trips around the UK, giving students the opportunity to have fun while learning about particular subjects and areas of the country.

Our educational trips are used to support all kinds of subjects and help to bring learning to life. You can also apply to become part of our overseas programme, aimed at providing learners with opportunities and experiences for travelling and working overseas.

CAREER READY?

Whether you're thinking about going to university, getting a job, taking on an apprenticeship or starting your own business, our team of progression coaches can help. Our team will support with UCAS applications, personal statements and student finance, as well as employability skills such as CV writing and interview tips. We also have our very own enterprise champion that can support you on your journey to becoming an entrepreneur.

SAVE MONEY WITH TOTUM

Register for a TOTUM card, the UK's number 1 student discount card, and gain access to exclusive student deals! You'll also get your fully accredited proof of age ID completely free with your card.

COLEG GWENT STUDENTS UNION

Why not join the Students' Union on your campus and make your voice heard? You can vote for elected officers or become one yourself. As a union member you can take part in fundraising, events and campaigns and forums.

SKILLS COMPETITIONS

You'll have the opportunity to compete and represent your college, demonstrating your skills on a national stage. From Skills Competition Wales to the national WorldSkills UK competition, you can compete with students from colleges across the UK, winning medals in a range of sectors and boosting your employability skills.

»» STUDENT LIFE

LGBTQIA+ GROUPS »»

At Coleg Gwent, we understand the importance of creating a diverse and enriching college community for all. We have a thriving LGBTQIA+ group on each campus who chat and meet regularly on Microsoft Teams. You can meet like-minded peers, talk in a safe space and express yourself with no judgement.

OVERSEAS PROGRAMME »»

The overseas programme at Coleg Gwent, funded through Erasmus+, is aimed at providing learners with opportunities and experiences for travelling and working overseas. The programme is designed to show learners that the skills they are learning in college are transferable anywhere in the world.

CLWB CYMRAEG >>

We encourage all members of the college community, fluent speakers or not, to understand the importance of the Welsh language and its cultural, educational and economic value to Wales and beyond. Clwb Cymraeg is a great way to socialise and take part in Welsh medium activities across all college sites.

PERFORMING ARTS >>

Each year at our Torfaen Learning Zone, Blaenau Gwent Learning Zone and Crosskeys campuses, we host an annual performance. From Mary Poppins to Shrek the musical - you can take part in a full-scale musical, whether you're front of stage or behind the scenes!

JOIN A WINNING TEAM >>

Why not join one of our winning sports teams? We have a Rugby, Football and Netball Academy! When joining one of our sports teams, you'll join a community of people who share your passion for sports.

YOUR GUIDE TO QUALIFICATIONS

Not sure what qualification you're looking for or what level to start at?

Here's a guide to help you understand the levels that are available. How you study and the duration of your course will depend on what you choose. You can find out more information on the individual course pages on our website.

LEVEL	QUALIFICATION		
	Vocational Learning	Academic learning	Work-based learning
7	Masters Degree/Doctorate		NVQ 5
6	Honours Degree		Higher Apprenticeship NVQ 4
5	Foundation Degree HND	Diploma in Higher Education	
4	HNC	Certificate in Higher Education	
3	Level 3 Diploma, Extended Diploma or Certificate	A Levels / AS Levels	Advanced Apprenticeship
2	Level 2 Diploma, Extended Certificate or Certificate	GCSE A* - C Grade	Apprenticeship NVQ 2
1	Level 1 Certificate or Diploma	GCSE D - G Grade	Traineeship NVQ 1

TERMINOLOGY EXPLAINED

Vocational-Related Learning

Vocational related learning courses are predominantly practical with some theory study too.

Academic Learning

Academic learning is mostly or all theory based studying, most A levels are classed as academic learning based.

Work-based learning

Work based learning is usually 80% work placement in a professional work environment and 20% is usually in the college.

» UCAS POINTS »

As well as A Levels, most Level 3 vocational courses attract UCAS points.

UCAS points translate your qualifications and grades into a numerical value. Some universities refer to UCAS points as an entry requirement. The amount depends on the course you study, for example; If you study a Level 3 Diploma you can gain 90 credits on successful completion, you can then progress to a Level 3 Extended Diploma, which will then give you 180 credits.

You can find out more at:

» WWW.UCAS.COM/TARIFF

THINGS TO CONSIDER WHEN CHOOSING » YOUR COURSE

- » **You're more likely to pass your course if you choose a subject you enjoy!**
- » **Choosing something you're good at will mean you're more likely to get good grades when you complete your course.**
- » **Think about what you might want to do after college. University? Get a job? Further training? Will your course help you achieve that?**

SKILLS >>> QUALIFICATIONS >>>

Your Skills, Your Future!

If you're a full time learner, you will benefit from an enriching programme to support you in the development of employability skills to help you along your chosen path. Depending on what you study, you will either study the Advanced Skills Baccalaureate or the Skills for Employment qualification.

ADVANCED SKILLS BACCALAUREATE

The Advanced Skills Baccalaureate Wales replaces the Welsh Baccalaureate. All A Level learners at Coleg Gwent will benefit from the new Advanced Skills Baccalaureate alongside their studies.

The Advanced Skills Baccalaureate not only provides you with essential skills to help you along your chosen path, but also provides you with an additional qualification – the equivalent to an A Level. The qualification will also provide you with additional UCAS points, so will come in handy if you're thinking of going to university!

SKILLS FOR EMPLOYMENT

If you're studying Level 1, 2 or 3 vocational course, you will benefit from an employability led qualification in addition to your chosen course. The brand-new qualification, the first of its kind in Wales, has been developed and innovated by subject specialists and employers.

The purpose of the qualification is to provide you with an additional qualification alongside your chosen course, to help you gain the skills and knowledge that employers are looking for when you leave college. The content is digitally led and has been developed with each subject in mind, so you can develop relevant and essential skills based on your chosen area of study.

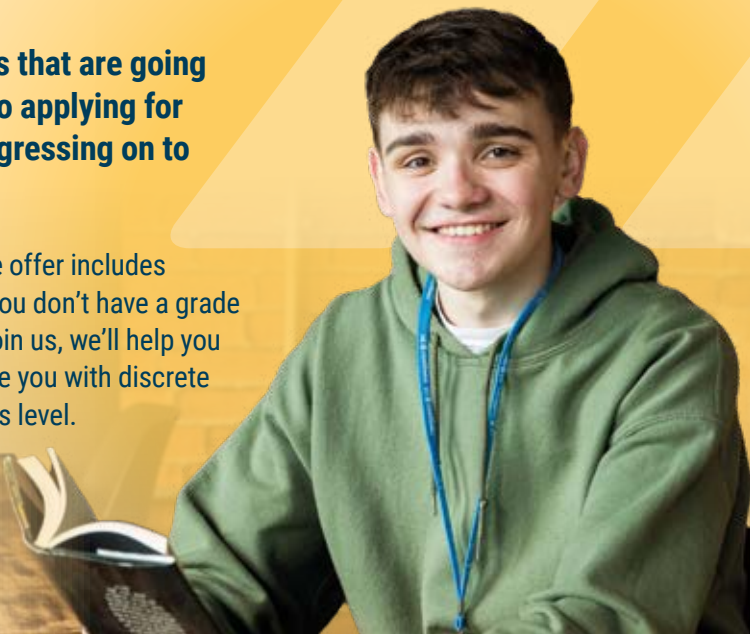

MATHS & ENGLISH

We focus on teaching the skills that are going to benefit you when it comes to applying for university, getting a job or progressing on to further study.

For this reason, every course that we offer includes English and maths development. If you don't have a grade C GCSE in either subject when you join us, we'll help you get where you need to be and provide you with discrete classes to help you work towards this level.

Find out more here:

 WWW.COLEGGWENT.AC.UK/ME

LEARNING IN WELSH & BILINGUALLY

If you want to study in Welsh or bilingually, we can provide you with some additional support to help you do so.

We offer a wide variety of Welsh and bilingual support including;

The ability to submit some modules in Welsh, the opportunity to study the Welsh language at any level, bilingual study support and tutorials, Welsh medium work placements and much more!

Find our more on our website

 WWW.COLEGGWENT.AC.UK/WELSHLEARNERS

APPRENTICESHIPS

We know that full time learning isn't for everyone.

If you'd prefer to go straight into employment but want to achieve qualifications alongside your new skills and experience, then an apprenticeship could be for you.

APPRENTICESHIPS PROVIDE:

A REAL JOB
Put your new skills into practice in your workplace and come to college, usually one day a week.

A RECOGNISED QUALIFICATION
A national qualification recognised by employers around the world. Better skills, better prospects!

A REAL PAY CHEQUE
Not only do you get industry experience, workplace skills and qualifications, you also get paid!

A REAL FUTURE
Apprenticeships give you the skills employers want, which can open doors in the future.

YOU CAN DO APPRENTICESHIPS IN:

- »» Bricklaying
- »» Electrical Installation
- »» Motor Vehicle – Light & Heavy Vehicle
- »» Carpentry
- »» Health & Social Care
- »» Motor Vehicle – Body Repair & Body Paint
- »» Electrical Engineering
- »» Mechanical Engineering
- »» Construction Plumbing Welding

AM I ELIGIBLE?

To do an apprenticeship you need to be:

- ✓ Employed in the relevant sector, have a contract of employment and be paid in line with the national minimum wage
- ✗ Not in full time education
- ✓ Committed to achieving the qualifications that underpin the apprenticeship framework
- ✓ Living and/or employed in Wales

“

I 100% prefer my apprenticeship to attending full time college. You get so much more hands on experience and I find it less intense than full time study. Doing an apprenticeship was also appealing as it meant I could earn money whilst studying for my qualifications.

A LEVELS AT COLEG GWENT

At Coleg Gwent, we offer unique study programmes entirely focused on providing you with the latest skills, experiences and qualifications so that you can pursue a career or university degree in your chosen path.

WHY STUDY A LEVELS AT COLEG GWENT?

PLENTY OF CHOICE

We have over 30 A Levels to choose from, giving you plenty of choice to move you a step closer to your future goals.

THE PERFECT COMBINATION

You will need to choose a minimum of 3 A Level subjects, but you can take 4!

It's important when choosing your A Level combinations to choose the right subjects for the career or area of study that you will want to pursue. We can help you choose the perfect combination for your future pathway, just get in touch with our friendly student recruitment team!

THE PERFECT STEPPING STONE TO UNIVERSITY

Did you know, more than 80% of our A Level learners progress on to Higher Education?

We have a dedicated team of Progression Officers that can provide support and specialist insights to help you with your university application.

GAIN ADDITIONAL » UCAS POINTS

Alongside your A Levels, you will also benefit from an additional qualification - the Advanced Skills Baccalaureate.

Formerly known as the Welsh Baccalaureate, the Advanced Skills Baccalaureate not only provides you with essential skills to help you along your chosen path, but also provides you with an additional qualification – the equivalent to an A Level. The qualification will also provide you with additional UCAS points, so will come in handy if you're thinking of going to university!

» THE SEREN NETWORK

The Seren Network, funded by Welsh Government, is a hub that provides students who achieved A*s at GCSE with an excellent foundation to apply to competitive and selective Russell Group universities (a group of universities with a shared focus on research and a reputation for academic achievement).

We host activities and events that aim to build confidence and resilience, as well as broadening subject knowledge, helping you develop the qualities that Russell Group universities value and look for in their applicants.

ACCOUNTANCY & BUSINESS

The world of business is exciting and dynamic. Whether you've set your sights on working for a big corporation, or even starting your own; you could embark on your own journey, starting at Coleg Gwent!

MEET JACOB

“

I'd recommend Coleg Gwent as they have plenty of opportunities, courses and varieties. I'm studying business and going on to do a business management and marketing course at Cardiff Metropolitan University, and would eventually like to go into a job in marketing. There are way more options here than sixth form and there's more freedom in college. Everyone is friendly and inviting, they make it as fun as possible.

- » Are enthusiastic about the everchanging technological demands of industry
- » Are driven by industry and employer needs to be workplace ready
- » Want to blend technical and business knowledge
- » Wish to pursue a career or continue further studies in Cyber or other digital-related industries

You can gain a nationally recognised qualification equivalent to three A Levels delivered in partnership with industry leading employers such as Admiral, Fujitsu and Thales.

OUR COURSE

	Duration	Level	Campus
Cyber College Computing	1 Year	3	

Please Note: Courses may be subject to change and cancelled if deemed viable not to run.

“

The facilities at Coleg Gwent has everything we need to learn about cyber and develop skills for the future. I'm not sure what I want to do yet as a career, but Cyber is the future and most jobs will include computing, so it's a great field to go into if you don't know what you want to do as a job.

ENGLISH FOR SPEAKERS

OF OTHER LANGUAGES (ESOL)

If English isn't your first language, our courses will help you to improve your English skills.

Our ESOL courses can help you:

- » Improve your English - speaking, listening, reading, writing, grammar and vocabulary
- » Learn how to write formal and informal emails, letters, CVs and job applications
- » Learn about the work skills you need to get a job or a promotion at work
- » Learn about maths including measuring, budgeting and how to read timetables

“

The teachers at Coleg Gwent are very helpful, not only on the course but also whenever I need help and need to ask questions. Getting contact with native speakers is the best thing about this course.

Please Note: Courses may be subject to change and cancelled if deemed viable not to run.

DID YOU KNOW?

Experienced construction managers can earn up to

£60,000
a year

O*NET Pathways 2023

WHAT NEXT?

Many of our construction learners go straight into employment or an apprenticeship in a trade. You may want to study a HNC/ HND in Construction and the Built Environment or Civil Engineering at Coleg Gwent, or a construction related course at another university.

“

My favourite part of the course is the practical work and learning how to use hand saws and power tools. It's preparing us for the workplace or an apprenticeship after college. The facilities are all here, the college has everything we need, and the tutors are sound.

ENGINEERING

Engineering is the practical and creative application of science and maths. Engineers are instrumental to everyday life; from the phones we use to the aeroplanes we travel in. The sector is diverse, highly skilled and well paid.

POTENTIAL CAREERS

Aerospace Engineer

Civil Engineer

Mechanical Engineer

Ergonomist

Electrical Engineer

“

There are lots of different teaching techniques at college and the facilities are really good. They've got well-equipped workshops for practical work and loads of industry standard equipment like CAD 3D design programmes and tools for building circuitry online. I'm currently being sponsored by Tata Steel and hope to be offered an apprenticeship after this course.

>> MEET SIAN

“

I'd 100% recommend Coleg Gwent for the Complementary Therapies course. The course also helps you grow in confidence because you're always meeting new people, and you get a huge amount of knowledge about the body – the course goes into so much depth! I look forward to going into college.

”

>> **SIAN SAMANTHA HOWELLS**
COMPLEMENTARY THERAPIES

HEALTH, CARE & EARLY YEARS

A career in health, care or early years can be extremely rewarding and you can make a positive impact on the lives of others. Most of our courses include work experience so you can gain the hands-on experience employers look for, giving you an advantage when you qualify for your chosen area of study.

“

I chose college over sixth form because I wanted to get away from the school environment and meet new people. There were not many people I knew here, so it was an opportunity to make more new friends. I attended an open event and it made me want to apply after seeing facilities, meeting staff and walking around.

INDEPENDENT LIVING SKILLS

There are a range of courses on offer which are suitable for learners from a variety of educational backgrounds and abilities. We'll help you learn to manage your own money, cook your own food, plan your own career and live an independent life in your community.

 **MEET CAMERON**

“

We have lots of fun on the course. The best thing about the course are the tutors, they are great fun. I've met lots of new people and made some friends too. You can have a go at everything including; cooking, painting, gardening and multisports. We also do music on a Wednesday – I love it!

”

 **CAMERON NUTT**
INDEPENDENT LIVING SKILLS

LEARN ESSENTIAL SKILLS >>>

As well as learning practical skills, we'll help to increase your self-esteem and confidence to help you live an active life. You'll cover a mixture of vocational and creative skills such as arts and crafts, cooking, gardening and IT, as well as continuing to improve your literacy, numeracy and other essential skills.

WE CATER TO YOUR NEEDS >>>

There are no formal entry requirements as each learner's needs are considered on an individual basis; we'll assess your specific needs to make sure you enrol on the right course for you. You will have the opportunity to attend a transition programme, where you can meet the tutors, attend some sessions and get to know the college before you start.

EXCITING ACTIVITIES >>>

You'll go on trips and visits to places such as local amenities, museums and tourist attractions, as well as taking part in fundraising and enterprise activities.

THIS PROGRAMME IS FOCUSED ON THE FOLLOWING FOUR PILLARS:

- 1 **Employability**
- 2 **Health and wellbeing**
- 3 **Independent living**
- 4 **Community participation**

WHAT NEXT? >>>

All our courses are one year long, and you can progress either within ILS or possibly apply to mainstream courses at the college.

WHAT NEXT? >>

Many of our motor vehicle learners go on to progress on to another course here at Coleg Gwent. Whether you're wanting to study a broad context, study a specialty or want to put what you've learned into action in the workplace, Coleg Gwent will support you to make it in your chosen career.

“

I was very nervous coming to college as a mature learner doing something I hadn't done before, but it's the best decision I've ever made. There are only a couple of girls in my class, but despite that, I feel like I fit in with the class – they're all welcoming. I love learning the ins and outs of cars and learning about the auto industry. The facilities here are great and are like the industry standard you would find at most garages.

”

>> COURTNEY WILLIAMS

MUSIC, DRAMA & DANCE

Wales is making a name for itself in the creative industries, one of the fastest growing sectors in the country, by producing high profile TV shows and home to well-known musicians and singers. Why not add to the star-studded line-up by studying with us?

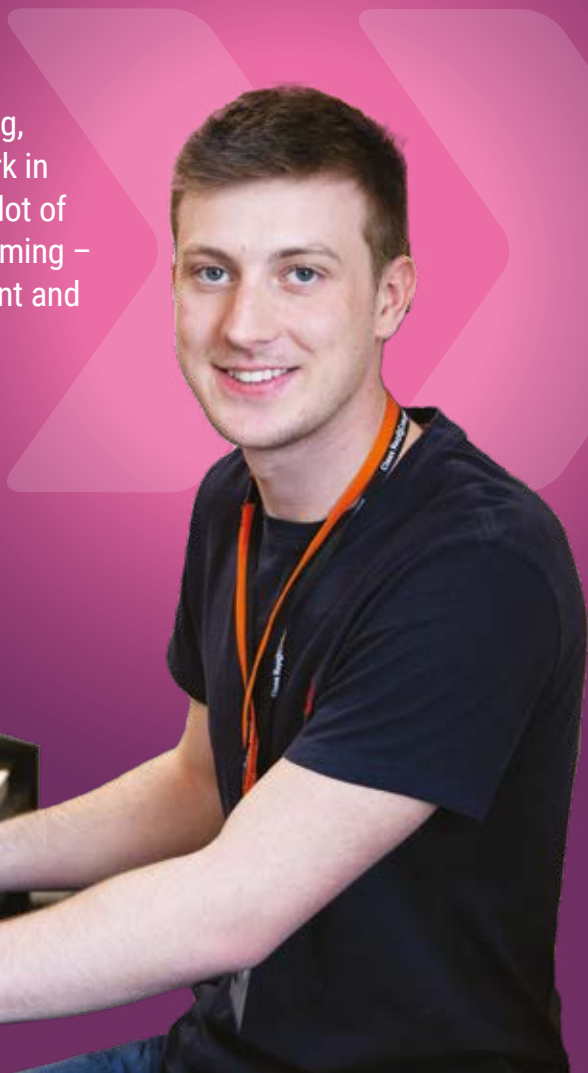

“

The teachers are great – they're very laid back, experienced, know what they're doing, friendly and supportive. We do a lot of work in composition and we have some essays, a lot of learning new songs, rehearsing and performing – I love it. The facilities are absolutely brilliant and the equipment is always being updated.

The average salary of a TV producer in the UK is around

£63,000 a year

Salary Expert, 2023

ACCESS TO HIGHER EDUCATION

A university degree is achievable even if you don't have any previous qualifications. An Access to Higher Education course will help you develop the knowledge, skills and confidence you need to prepare you for university.

“

I chose to do the Access course because I want to apply for a Working with Children and Families degree. The fact that the course is free really did push me to take that leap and sign up. I would absolutely recommend Coleg Gwent to prospective students, I have had a really good time during this course and I have found the environment in general to be supportive and helpful.

» SARA
ACCESS TO HE

”

 MEET SARA

WHY STUDY AN ACCESS TO HIGHER EDUCATION COURSE?

»» IMPROVE PROSPECTS

It will open new doors, making success more likely and helping you achieve that dream career.

»» BUILD ESSENTIAL SKILLS

It proves you have valuable skills such as studying independently and meeting deadlines.

»» SHOWCASE SUCCESS

Universities want confirmation that you are competent at Level 3.

»» PROVE YOURSELF

This demonstrates your ability to stay committed, withstand hard work and go the distance.

»» A GREAT EXPERIENCE

As well as giving you a qualification, you'll gain a wealth of experience and you'll make contacts to help you in future.
