

Coleg
Gwent

Enterprise & Entrepreneurship
**Youth Entrepreneurship
Annual Impact Report**

2023-2024

Coleg Gwent is fully committed to advancing and accelerating the creation of enterprise opportunities and the enhancement of entrepreneurial skills amongst our learners, across all campuses.

With the support of Welsh Government funding we have provided a blended delivery of face-to-face and online activities, designed around the Youth Entrepreneurship Strategy areas of Enabling our staff to champion entrepreneurship within their subject or department; Engaging learners with initiatives designed to raise awareness of entrepreneurship; Empowering learners with activities to help develop their entrepreneurial capacity and Equipping learners with the skills and opportunities to develop and launch their business ideas.

Enterprising learners in numbers...

3,146

**learners engaged
in enterprise events**

**learners empowered to
explore entrepreneurial
skills**

139

**learners equipped to take
positive steps towards
self-employment**

10

**learners supported to
become self-employed**

How we've been Enabling & Accelerating Student Entrepreneurship:

- Delivered tailored class-based workshops to over 500 learners across 5 campuses.
- Enabling 2,443 learners to directly engage with inspiring Big Ideas Wales role models.
- Providing 31 learners with 1:1 enterprise support to create and develop their business idea.
- Engaging 80+ learners in an inspiring Welsh Bacc Advanced Skills 2-day carousel event, to support the Future Destinations (task 2) project.
- Engaged with over 40 tutors who had previously not benefited from Enterprise support, to deliver workshops for their learners.
- Supported 3 learners to successfully achieve the Tafflab award, providing them with a year of grant funding & business advisory support.
